SIDE LETTER OF AGREEMENT EARLY RETIREMENT BENEFIT

As agreed to during negotiations, the Maple Run Education Association and the MRUSD Board are entering into a one year agreement for a Side Letter to the collective bargaining agreement between them beginning July 1, 2022 and ending June 30, 2023 (the "Agreement"). It is fully understood that this side letter shall sunset on June 30, 2023, such that it will no longer be part of the Master Agreement, regardless of status quo rules and whether any successor agreement has been reached between the parties.

Under the conditions noted herein, eight (8) professional staff in school year 2022-2023 may be granted an early retirement benefit. Additional teachers may be considered for the benefit at the discretion of the Board.

By October 1st of the school year, full-time professional staff with twenty (20) or more years of uninterrupted service in the MRUSD may apply to receive a \$12,000 early retirement benefit. Teachers must notify the Superintendent in writing by the deadline of their request to retire early from teaching at the conclusion of the contractual year. Any person not approved for the early retirement benefit may rescind his/her retirement notification within one month of the Board decision.

Once a teacher has been approved for the benefit, they must take early retirement. Recipients of this early retirement benefit will not be eligible for full or part-time employment in the district, except as a casual employee or substitute.

The Board will choose the recipients by lottery. Payment will be made through payroll at the conclusion of the school year but prior to June 30th, with all appropriate payroll tax withholdings deducted.

This side letter and the contents as stated herein will automatically expire on the expiration date of the Master Agreement on June 30, 2023. This benefit shall not be considered part of the "status quo" terms of employment should a successor to this Agreement not be ratified by said expiration date.

To demonstrate the agreement of the Education Associations and Board as listed above for this Side Letter to the current MRUSD Master Agreement, please sign and date this letter as provided below. Once fully signed and dated by all parties, copies of this Side Letter shall be distributed to the named Education Association and to the named School Board and shall be considered incorporated into the current MRUSD Master Agreement.
