TCD (Technology Center of DuPage) Field Trip Permission Slip

Dear Parents/Guardians,

We are excited to offer this opportunity for our 7th & 8th grade students next week. TCD, Technology Center of DuPage, offers Willowbrook students elective options geared towards career and college readiness. They have invited us to a career fair, where students will get to learn about careers that interest them. Students filled out a survey before Spring Break to determine which areas they will experience during this trip. We felt the timing was great, as this will give them a break during IAR Testing Week. TCD is located in Addison, IL and their phone number is 630-620-8770.

Students will eat lunch at AMS before leaving for TCD. We will **depart school around 11:30am, and return at approximately 2:00pm on Wednesday, April 13th, 2022.** If you have any questions, please call us at 630.279.6160.

Please **complete** the bottom of this permission slip and **return** it to Mrs. Specht (7th) or Mr. Price/Mrs. Jordan (8th) **by Tuesday, April 12th, 2022.** Students who do not have permission to attend will work on school work in the office during the afternoon.

Sincerely,
Ms. Aulisa
