Issue 20 – February 12, 2022

At Whitefield Elementary School

During the week of February 21st, WES will be celebrating with a Winter Carnival. Historically, the middle school has been the only group who participates in the Carnival, but this year it has been expanded to include PreK through 8th grade. To begin, they have established Theme Days. Monday is Crazy Hair Day and they are hoping to see some creative and dramatic styles. Tuesday is Movie and Book Character Day, with rumors circulating that Harry Potter will be in the house. Wednesday is Wacky Wednesday; backward clothing, mismatches, and loud prints are encouraged. Thursday is Sporty Spirit Day and with lots of Red Sox, Patriots, and Bruins gear expected. Finally, Friday is Pirate Pride Day; lots of Pirate green will be on display.

Friday the 25th will be the Winter Carnival activity day. Classes and grades will be participating in a variety of activities including snow art, cardboard box sleds, MS/Staff volleyball, scavenger hunts, a story walk on the trails, firepit, and s'mores. Students who wish to enter the cardboard box sled race can design and build a cardboard sled at home to bring in on Friday. Each class will also create a class sled for the race. The middle schoolers and staff will have their annual volleyball game and the day will be capped off with a performance by Progressive Styles, live for the MS students and streamed for the elementary student classrooms.

At Lancaster Elementary School

Kindergarten celebrated their 100th day of school on Monday, February, 14th. They have been working so hard all year and were excited to be "100 Days Brighter!" The day included wearing special t-shirts and participating in a variety of fun activities. Students enjoyed working with pattern blocks, food, and many arts and crafts tools.

Kindergarteners have a lot of counting ahead. They count by 1s, 10s, and 5s all day! They had a blast celebrating their 100 days together and continuing to grow with the 80 days they have left!
