**BCAC**

All meetings of the Board shall be open meetings, except that an “executive session” is permitted if the reason for the executive session is publicly stated and provided the Board, by majority vote, passes a motion to adjourn to executive session. Newly elected Board members may be invited by the Board to attend executive sessions held after the certification of election results and before they officially assume office.

All action taken in an open meeting and voting by secret ballot is prohibited.

The Board extends a permanent invitation to all staff members and citizens to attend Board meetings.
