

## **Jefferson West USD 340 Vision**

**Empower all students to think critically, build resilience, and reach their full potential.**

### **Jefferson West District Goals**

**Goal Statement 1:** Jefferson West will strengthen family involvement and student engagement with real-life learning opportunities, curriculum, and programs in order to improve academic performance, relationships, and critical thinking skills measured by using common and reliable data within the five-year KESA cycle.

**Goal Statement 2:** Jefferson West will foster college and career competencies\* as measured by common and reliable data within the five-year KESA cycle.

\*College & Career Competency Wheel is linked to Goal 2 statement
