COMMUNITY EDUCATION

Hunter's Safety registration forms are available for students who will be 11 years of age by February 7. Instructors for the class will be Tom Kulas and Chad Walters. Class promotes responsible, ethical hunter conduct; emphasizes the importance of wildlife management, laws and regulations, and teaches safe handling of hunting equipment. A person born after December 31, 1979 must have a firearms safety certificate to obtain a hunting license. This is a very important course and students are expected to attend all classes and give the instructors their total attention and respect or they will be asked to leave and will not be allowed to return. Classes will be every Tuesday and Thursday during the month of February at the Hurricane Hub. Cost is \$2, payable to Community Education. Please submit payment with registration.
