Walkers:

Walkers are defined as students who live in the immediate neighborhood (Please see map below.) and do not utilize motorized transportation as a means for arrival and dismissal. Walker verification must be approved by administration. Once verification is obtained, the students' names will be placed on the official walker's list. **Only students who reside within the highlighted radius and are listed on the official walker's list will be dismissed from the walker's gate.** Students will report to the nurse's hall or the cafeteria and will be dismissed from the walker's gate after the bus students are loaded and departed. Buses depart at approximately 3:45 pm.

A Kenner ordinance prevents parents from parking and picking up your child. If circumstances warrant parking and picking up your child, please send a written notice to the school office expressing why this is needed.

- **Walkers will report directly to the cafeteria upon dismissal and will be released after all buses depart**
