Gilchrist County School District

Notice of Non- Discrimination

The Gilchrist County School District does not discriminate on the basis of race, color, national origin, gender, age, disability, marital status or genetic information in its educational programs, services or activities, or in its hiring or employment practices. The district also provides equal access to its facilities to the Boy Scouts and other patriotic youth groups, as required by the Boys Scout of America Equal Access Act. Questions, complaints, or requests for additional information regarding discrimination or harassment may be sent to:

Name and/or Title: Darby Allen, Equity Officer
Office Address: 310 NW 11th Avenue / Trenton,
Florida 32693
Phone Number (Voice/TDD): (352) 463-3200
E-mail: allend@mygcsd.org

In addition, the Gilchrist County School District offers a variety of career and technical education programs described here, including career academies wherein students may earn industry certification.

The district prohibits discrimination in the terms and conditions of employment, and in access to educational programs and activities, and prohibits harassment of any individual or group on the basis of race, color, national origin, religion, sex, age, disability, marital status, sexual orientation or genetic information (and other protected classes included in the district's nondiscrimination policies).

Lack of English language skills will not be a barrier to admission and participation. The district may assess each student's ability to benefit from specific programs through placement tests and counseling, and, if necessary, will provide services or referrals to better prepare students for successful participation.

ACADEMY OF HEALTH RELATED PROFESSIONS

BELL HIGH SCHOOL

Why should I apply?

Each student of the Academy of Health Related Professions gets the unique opportunity to:

- On-the-job, hands on technical training
- Scholarship Opportunities
- Earn College Credits
- Industry Certifications

Academy of Health Related Professions

The health care industry is one of the fastest growing occupational areas in North Central Florida. The Health Academy is an exciting program designed to prepare students for employment and post-secondary education in health related careers.

The program includes integrated classroom instruction, laboratory practice, and clinical and shadowing experiences in selected health care settings. All interested students are encouraged to apply for entrance to the Academy.

All Academy students must complete a four year program of study including career and academic components. All Academy students are required to complete a career exit point and participate in patient care/clinical requirements in the 12th grade.
