

Online Enrollment is LIVE for current students!

Enrollment Steps:

1. Go to www.hydroeakly.k12.ok.us
2. Click Gradebook.
3. Sign In (If you have forgotten your password, you may click Forgot Password. If you need additional assistance, we will provide it at enrollment.)
4. Click Applications.
5. Click Student Records Portal.
6. There will be two tabs: Enrollment & Lunch Application. Meals are NOT free this year. It is very important that lunch applications be filled out so that you are billed accurately for your child's meals. This information also allows the school to receive additional funding.
7. Under the Enrollment Tab - Click Enroll Student- 2023-2024. Go through the 3 Steps to complete their enrollment. On the Documents Tab, you will fill out the Home Language Survey. You will be asked to enter the date that your child first entered school. You MUST enter the full date MONTH/DAY/YEAR. (It doesn't have to be exact.)
8. Once you have a Green Checkmark next to the required documents, you will click submit.
9. Under the Lunch Application Tab, you will complete the Lunch Application. You only need to complete ONE per family. Once you have filled out the information, you will click the Green Checkmark. This form will not disappear once you have clicked the checkmark, but it will be submitted. You will have to close the window to exit out.
10. If you run into any problems during the enrollment process, please remember that we will be having Enrollment from 6-8 pm on Monday, July 31.
