NOTICE FOR IMMUNIZATION RECORD INFORMATION

Dear Parents/Guardians:

Since 1994, the Greenwood School District has utilized the Marshfield Clinic's **Registry for Effectively Communicating Immunization Needs** (RECIN) to share student immunization records with the Wisconsin Immunization Registry (WIR) per state law.

The Marshfield Clinic will no longer be providing this service, therefore, the Greenwood School District will now be responsible for sending student immunization information to the state. The School District of Greenwood will transmit student immunization information to WIR electronically via a secure line.

If you do not wish the School District of Greenwood to send your child's immunization record in this fashion you must notify the District using the form below by **August 30, 2018**, or upon time of registration.

[] I, hereby, request that my child's immunization record information **NOT** be sent electronically to the Wisconsin Immunization Registry (WIR).
