THE FREMONT SCHOOL DISTRICT
GOALS 2017-2018

1. The Fremont School District will support staff in developing and implementing quality assessments and using the student performance data to inform instruction, leading to increased student proficiency.

2. The Fremont School District will strive to provide quality professional learning opportunities for staff.

3. The Fremont School District will provide and maintain quality facilities that support student learning and safety, in a fiscally responsible manner.

4. The Fremont School District will expand and improve its communication with the greater Fremont community.
