Regarding:

March 2022 Expense Report

The Dashboard (Page 1) is included again this month, and you will also see an extension of the Dashboard by Cost Center (Page 2-5). The cost center graphs are using the same process as the Dashboard. The Budget is taking the spend percentage of budget for March for the FY2021 financials and applying that percentage to this year's budget. We need to remember that last year was a Covid year, and costs were not running normal. These graphs are working toward giving a new way to look at the financials.

Attached please find the Reconciliation of Accounts (Page 6) as of March 31, 2022 reflecting all activity for fiscal year 2022. Highlights from this report include:

- General Education and Adult Ed Revenues of \$31.7 million and \$37.4 million in Expenses, for a Net Expense of \$5.7 million.
- There are 36 Special Revenue accounts with activity in the current fiscal year, with combined revenues of \$4.7 million and combined expenses of \$5.6 million, for a Net Expense of \$0.9 million. The department of education is running behind on approving invoices, and we enter in the next invoice as soon as the system allows. We can only bill per month for ESSER funds due to the size of the grant. All other funds are only running one or two months behind depending on the system. The timeline has been shortened drastically in the last few months.
- In the Capital Improvement Fund section, you will see our three school construction projects (HS/SRTC, Elementary/MS, and Facilities Upgrade) that have combined revenues of \$11 thousand and combined expenses of \$3.6 million, for Net Expenses of \$3.6 million.
- We currently have three Enterprise accounts; School Nutrition, Adult Ed Enrichment and the Performing Arts Center. Those three accounts have generated revenues of \$1.6 million and expenses of \$1.5 million, for Net Revenue of \$50 thousand.
- Finally, in Trust Funds, we have \$208 thousand in revenue and approximately \$199 thousand in expenses, for Net Revenue of \$9 thousand.

On Page 7, for the General Fund – General Education Expense Details by function and warrant article, you can see:

- For Salaries and Benefits, the school has spent \$21.1 million, an increase of about \$626 thousand over the prior year.
- You will see that the 53000-57000 group which includes Purchased Professional & Technical Services (\$1.5 million), Property Services (\$438 thousand), Other Purchased Services (\$1.9 million), Supplies/Energy (\$1.5 million) and Property Maintenance (\$360 thousand) in totality are coming in about \$479 thousand higher

- than the prior year. The primary reason is tuition for Outside Placement and Transportation timing of payments. Another item is that a majority of the Capital Program has been completed for the year.
- Debts, Dues/Fees & Miscellaneous are coming in at \$10.2 million and reflects both the state's share of the HS/SRTC and Elementary/MS projects as well as our local share of the HS/SRTC project. The total is coming in about \$0.5 million higher than last year. The primary reason is that the new \$8.6 million local facility improvement bond first principal payment.

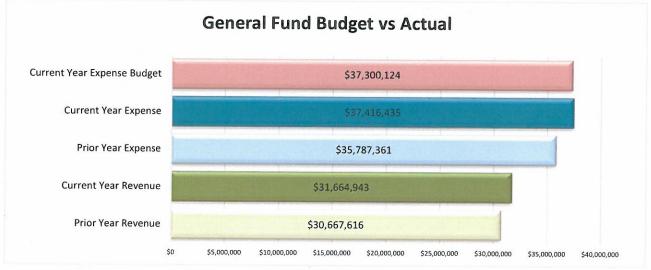

On the second page, for the articles:

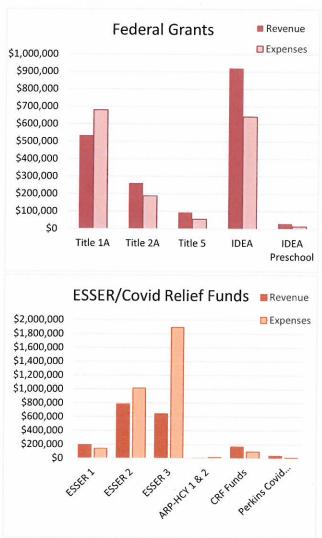

- Articles 1-4, which are classified as "Direct Instruction" contribute \$17.5 million, while Articles 5-7 (Student/Staff Support as well as School and System Admin) contribute another \$4.7 million.
- Article 8, Transportation, contributes \$1.2 million, while Article 9, Facilities including CIP, contributes another \$4.1 million.
- Article 10, Debt, contributed \$9.4 million for the first five months.
- Finally, we have Article 11 (All Other) contributing \$39 thousand and Adult Ed Academic Only with \$347 thousand. This yields the combined General Fund Expense amount of \$37,416,435 Year-to-Date.

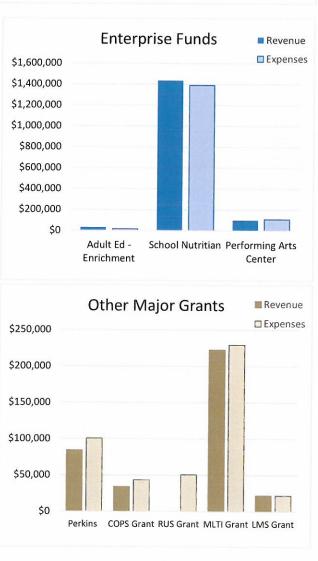

Adult Education revenue was \$32 thousand below last year, primarily due to SAD60 sharing of AE Director. General Fund Revenue is running \$1.0 million above prior year. The primary reason is the subsidy amounts.
