Hugoton Middle School Weekly Bulletin

"Joy is a decision, a really brave one, about how you are going to respond to life."

Monday- April 18th-

- NO SCHOOL- Great Monday

Tuesday- April 19th

- NO SCHOOL- Teacher Professional Development

Wednesday- April 20th Unplugged Focus: Humility

Our Unplugged theme for the month of April is Humility. We are defining humility as thinking of others before yourself. This week, your student did an activity with a balloon in which they had to find the balloon with someone else's name on it in order to help them find their own. Here are some suggested questions for you to ask your student."

- 1) Who's balloon did you get?
- 2) Who handed you your balloon?
- 3) Was your school able to do the activities better when they thought of others first or themselves first?
- 4) Do you think that applies to life? Why or why not?

- Show Choir Auditions beginning at 3:30PM

Thursday- April 21st

- 8th graders to Garden City Community College, leave time is 7:30AM
- MS Cheer clinic for all interested 6th and 7th graders who would like to cheer next year

Friday- April 22nd

- MS track at Holcomb 9AM

WAYS TO SUPPORT YOUR STUDENTS AT HMS:

- Order your HMS yearbook now using the online link below. The yearbook will arrive in the Fall. With tax, the yearbook costs approximately \$25.

8th Grade Parents

Your student participated in a simulation entitled Reality U today. In this simulation, they each received a salary, and they went around the gym to different tables in order to choose the type of housing, car, utilities, insurance, phone & fun, and clothing and hair choices they would want or need. Additionally, they had to save for retirement, purchase food, and pay for childcare.

All students did an excellent job participating in this simulation. You should be so proud of your kids! The director of the simulation asked students what they learned and many said that they were grateful for what you, their parent or guardian, does for them!

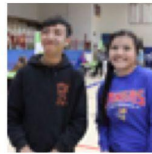

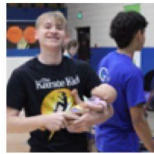

Questions you could ask your student include but are not limited to:

- What was your job and monthly salary?
- Were you married or single?
- What type of car did you purchase?
- What cost surprised you the most?
- What were some things you learned?

Many of these students are excited to talk about their experiences and share them with you. :)
