## FAFSA Nonparticipation Form

Starting in school year 2020-21, to receive a diploma from a public high school a student must complete the Free Application for Federal Student Aid (FAFSA®)<sup>1</sup> or, if applicable, the Alternative Application for Illinois Financial Aid<sup>2</sup>. Local school district staff must provide support and assistance to students and parents/guardians in the application process. Additional assistance with completing an application is available from the Illinois Student Assistance Commission<sup>3</sup>.

Alternatively, a parent/guardian must file a waiver if they choose to opt a child out of this graduation requirement by completing this Nonparticipation form; students who are at least 18 years of age or legally emancipated may complete the form themselves. If you wish to opt yourself or your student out of the Financial Aid Application graduation requirement, please complete this form and return it to your local high school counselor by the date established at your local school district.
