

Motor Vehicle Registration

last name (print)

first name (print)

In signing this registration form, students and their parents are signifying that they have sufficient insurance coverage on said vehicle and agree that students will operate motor vehicles according to the following guidelines when on or near school property, and agree that failure to follow these guidelines may result in other disciplinary measures as well.

Motor Vehicle Guidelines while on School Property:

1. Student's vehicles are to remain **parked** until all buses have driven away.
2. Students are not to drive their vehicles in front of the elementary school (Pine St.) or in the alley directly in front of the elementary school after school.
3. Students must drive in a safe manner at all times.
4. Students must limit speed to 10 miles per hour on school property.
5. No revving of engine, spinning of tires, or unnecessary noise will be tolerated.
6. Park in designated student area, leaving access to the water plant.
7. Have this vehicle registration form completed and returned to the office before being a driver in any vehicle that comes onto school property.
8. Permission to be in the parking lot or to use motor vehicles between 8:25 a.m. and 3:23 p.m. must be received by the student from the high school principal.
