News from the Superintendent

Dear Patrons,

Depending on when you're reading this school may be back in session. The first full day is August 16 for kindergarten through seniors and the first day for preschool is August 20. It has been a great summer here and you'll notice updates and tidy buildings throughout the district.

As you all remember we did a complete overhaul on our website and added an app last January. Throughout the spring we learned quite a bit more about what we can do with both of those. If you look at the app or website now you'll see that the calendar is full and the fall athletic schedules are done. The printed calendars that went home at enrollment and the printed calendars around the communities are without times. That's because we have so many time changes it just causes confusion. The times are on the app and website (under athletics and the calendar) so that we can change those when a change occurs so that everything is aligned and right. Also, the cafeteria selection on both the app and the website now take you to a site where you can not only view the meals for the day, but also pictures of the item, possible allergy issues, and nutritional information including calories, etc. We're excited about the direction this is going where we are able to provide more accurate and complete information.

Lastly, the Clyde Watermelon Festival is sneaking up on us quickly. If you are interested in decorating a hay bale for the contest please fill out the back sheet of this newsletter and get it to me by August 17.

As always, please call me if you have any questions or would like to chat about what's happening in USD 224.

Sincerely,
Art Baker
