Superintendent Monthly Update May 2022

WCISD Family,

We have a STATE CHAMPION! Congratulations to WCISD sophomore, Caden Thurman: State Champion in the 1600m Run. Caden's time was 4:22.00.

I went to the UIL State Championship Boys Track & Field Records and reviewed 2A records. At 4:22.00, Caden's time would hold to be the 4th fastest in 2A, the fastest time being 4:13.84 in 1974-1975. Did we mention he is just a sophomore?

This year, Wolfe City ISD joined the Region 10 Teacher of the Year Program. The program allows each district to nominate one Elementary and one Secondary teacher to compete for the 2023 State Teacher of the Year. Representing Wolfe City ISD is Liz Myrick (Elementary) and Rex Page (Secondary). Congratulations to these two amazing teachers. Mrs. Myrick and Mr. Page will be attending the Chamber of Commerce Banquet this June to receive their District prize and will be honored at the Region 10 TOTY luncheon in July.

Sincerely,

Elementary Principal Announced

At last night's Board meeting, Trustees and I welcomed the new Elementary Principal, Mrs. Terry Callaway. Mrs. Callaway will be replacing our current principal, Mrs. Ginger White, who is retiring at the end of this school year.

Mrs. Callaway is coming to us from Mesquite ISD, where she has been serving as an assistant principal for several years. She has experience not only as an assistant principal, but also as a counselor, elementary teacher, and a special education inclusion paraprofessional. Mrs. Callaway is a wife of 27 years, mother to four children and a grandmother. She enjoys time with family and her three dogs.

I personally look forward to her knowledge and supporting goals in staff morale, PLC collaborations, data digs, parent inclusion, PBIS systems, school safety, special programming, Kagan, Capturing Kids Hearts, EL Bundles, and more. She is incredibly talented and will be a great asset.

There will be a welcome reception prior to the school year.

Construction

The new elementary playground is almost completed. We are waiting on benches with a large 15x15 umbrella for shade as well as shade sails on top of the structure.

The HS Ag Barn will have upgrades coming next month. For questions concerning animals/materials located at the barn, please contact Whitney Swinson at swinsonw@wcisd.net.

Also, the HS portables are near completion, adding final touches and waiting for Oncor to add electricity. The Art department moving into the portables will provide much needed space for art projects and allow the theatre department to recapture the room conjoined to the stage. Thank you for your patience.

Newly Elected Board Members

At last night's Board meeting, John Tisdale, Eric Williams, and Courtney Allen were sworn in to their three-year term. The Board reorganized its officers:

Colt Herron - President

John Tisdale – Vice-President

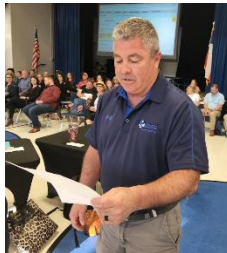

Charolette Gardner – Secretary

Charmayne Scott – Alt. Secretary

De Henslee – Trustee

Eric Williams – Trustee

Courtney Allen - Trustee

Starting in June, Board Meetings will begin at 6:30pm.
