Superintendent Monthly Update October 2022

Superintendent Address

WCISD Family,

A lot of wonderful things are going on in Wolfe City. Bleacher Creatures. Elvis. Art class. Great pep rallies. Our STATE BETA President visited other districts' BETA programs. Teachers having their books, such as *The Outsiders*, become alive. Homecoming Mums. Students participating in FFA and 4H. Our new Forensics class determined who was the perpetrator. And to top it off.....well, whatever Cavan and DeVontae are doing in the photo.

Sincerely,

Stop the Bleed Training

Community Training: "Stop the Bleed" October 5th from 6:30-7:30pm in the Sidney Wasson Center. All community members are welcome to attend this free training.

• HB 496 requires us to OFFER instruction to students in grades 7-12. It does not REQUIRE students to receive the instruction.

Facilities and Transportation updates

Have you seen it????

Jessie and his crew have been working very hard to relocate our Bocce Ball court to the front of the MS. We will also be adding benches too. Bocce is an Italian game. The basic principle of the sport is to roll a bocce ball closest to the target ball, which is called a palina. Bocce as a Special Olympics sport provides people with special needs the opportunity to have social contact, develop physically and to gain self-confidence. Next to soccer and golf, bocce is the third most participated sport in the world.

Rules for Bocce: <https://www.uwec.edu/files/6046/Bocce-Ball-Rules.pdf>

Last night, the Board of Trustees approved adding a portable building adjacent to the current Learning Center. It is intended to house our Pre-K students. The space in the ES is much needed to provide the ES campus with dyslexia and counseling rooms.

Hispanic Heritage Month

Each year, Americans observe National Hispanic Heritage Month from **September 15 to October 15**, by celebrating the histories, cultures and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean and Central and South America.

My father, Javier Hugo Figueroa, is a native of Monterrey, Mexico. At 17, he became a US citizen and joined the Army, serving in Vietnam and Korea over his 12-year military service. In 2009, he was elected as a council member to the City of University Place and became the first naturalized citizen from Mexico to be elected in Washington State. In 2016, he ran as a Republican in lieutenant gubernatorial race in Washington State. After the election, he served as University Place's mayor in 2016-2017 and currently serves as the Mayor Pro-Tem.

In Wolfe City ISD, over 20% of our students and over 10% of our staff identify as Latino.

To help celebrate Hispanic Heritage Month and National Taco Day, the Administrative Team is going to provide Steak and Chicken Street Tacos, Elote, and Limonada to the Wolfe City ISD community on **Saturday, October 8th from 11am-1pm (or until we run out).**
