August 15, 2022

Dear Parents/Guardians,

It's hard to believe that the summer is winding down and the beginning of the 2022-2023 school year will be here in just a few weeks! We would like to inform you of some important information for the start of this school year. As you know, Centre School traditionally begins the school year with classroom orientation to give parents and students a chance to meet their new teachers and to allow families to visit each student's new classroom together. Parents and guardians are invited to bring their children to Centre School for a brief visit on Orientation Day, **Monday, August 29**.

Please plan to attend Orientation with your child for approximately one hour between the hours of 1:00 and 3:00. This will give you and your child the opportunity to meet your child's teacher and be oriented to Centre School. To give you and your child some specific time to meet and talk with the teacher we would suggest having families with the last names A-L drop in anytime between the hours of 1:00-2:00 and families with the last names M-Z drop in anytime between the hours of 2:00-3:00. (Times are just a suggestion, if the other time works better for you, by all means come then.) Bus information, snack and milk information, and curriculum information will be provided by teachers as part of the orientation. The Centre School web site <https://centre-school.sau90.org> contains information about our school program.

If you have been notified of missing paperwork, please be sure to deliver any needed medical documentation such as immunization and physical exam to the Health Office. Birth certificate and medical documentation must be received to enable your child to begin classes on Tuesday, August 30. Bus routes will be posted on our school website and be available in the classrooms at orientation. Classes will begin on **Tuesday, August 30**. Students may arrive between 8:20 and 8:30 AM. Dismissal time is 2:55 PM.

Please call Centre School, 926-8706, if you have any questions. The school office is open all summer, but sometimes Mrs. Liebenow, School Secretary or the Principal and Assistant Principal may be in other parts of the school. You are welcome to leave a voicemail message for Mrs. Liebenow and she will return your call. All of the Centre School staff look forward to meeting with you at Orientation on Monday, August 29.

Sincerely,

Timothy Lannan, Principal

Jamie Hayward, Assistant Principal

Upcoming Events
