Coding Camp at Hampton Rec Department!
07/11/2022-07/15/2022
9:00 A.M. to 12:00 P.M.

Have you ever wanted to make your own websites and apps? In this innovative hands-on coding and tech camp, you'll learn the skills of a coder and the mindset of an entrepreneur through building apps - your own app and also an app for local nonprofits. You'll build apps and games every week in the course and work on real iOS apps. Previous students have been covered in multiple local news outlets for apps they've built for homeless shelters, veterinarians, and local climate nonprofits!
