

Caps for the Cure

Caps for the Cure Day
is
May 17th

www.thecurestartsnow.org

To benefit The Cure Starts Now Foundation and pediatric brain cancer research

Evan Austin is a second grader at Centre School. In July 2019 he was diagnosed with DIPG, an incurable brain tumor. Since that time, he has undergone three separate rounds of brain stem radiation and has participated in two clinical trials. He is no longer undergoing treatment and is focusing on spending time with his family and friends. **We encourage your child to wear their Super Evan gear along with their hat!**

Please Help Us Raise Awareness

We will be showing our support for pediatric brain cancer patients and the need for research to cure this deadly cancer by participating in Caps for the Cure.

To drive awareness, we would love for all students to wear a hat for the day and encourage them to donate \$1 which will be given to The Cure Starts Now Foundation.

The Cure Starts Now raises funds for pediatric

Kids showing their support during Caps for the Cure

brain cancer research. Please help us support these kids in their battle. Sadly, brain cancer is one of the leading causes of deaths in childhood cancer and each year

over 3000 more children are diagnosed with brain cancer.

The Cure Starts Now is working to help fund research to stop the loss of these beautiful lives. These children with brain cancer deserve to be given a chance, and your kids can help.

About The Cure Starts Now

The Cure Starts Now is an IRS approved 501(c)(3) non-profit. Since 2007, due to efforts like Caps for the Cure, The Cure Starts Now has been able to fund research across the globe. In conjunction with our DIPG/DMG Collaborative partners we have funded more than \$18 million in research grants at 112

hospitals in 15 countries. It is our hope that this year's Caps for the Cure will enable us to open up even more opportunities for these children before it is too late.

Please visit our website to see a few of the thousands of children whose lives will be affected by your school's generosity.

Together we can find the Homerun Cure™ for all cancers!

Additional tax-deductible donations can be made at www.thecurestartsnow.org or simply send a check in with your child and you will receive a donation receipt in the mail.
