

Marston School Arrival and Dismissal

1. Come down Marston Way in a slow, calm, and patient manner.
2. Stay as close to the flagpole on the left-hand side as possible to allow buses to pass on the right.
3. Continue around the flagpole and create **2 lines**. Do not block the driveway so buses can pull out.
4. Continue around the corner (cones) and merge back into a single file line.
5. Pull up the curb in a single file line and we will have students enter their car 5-6 at a time. If you are not in area 5 or you are beyond the red X, then you and your student must wait until you are safely in area 5 before entering or exiting your vehicle.

****If you need to get out of the car for any reason – to say goodbye, give hugs and kisses, etc. then please park in a designated spot so you do not impeded the flow of traffic.****
