MARIAH B. CURTIS
Business Administrator

Dear Parents and Community Members of SAU 21 and SAU 90

Are you interested in the future of education in New Hampshire?

Former Chair of the State Board of Education, Fredrick Bramante, is hosting a listening session at the Winnacunnet High School Auditorium on Monday, **May 15 at 6:30 pm**. Hampton and SAU 21 communities are invited to this very important meeting to discuss major proposed changes to New Hampshire's public education rules (ED 306 Minimum Standards for Public School Approval).

The event is an opportunity for community members and educators to ask questions and provide valuable feedback to the State Board of Education.

For additional information on the proposed changes, you may view the document attached: [NHSAA Feedback on 306 Revision.pdf](#)

If you're interested in the full report, you may view it here: [Side by Side Minimum Standards Revision Draft 3-23.pdf](#)

Additionally, we are attaching a document that will better help you understand the 306 Rules. [306 Rules](#)

These rules lay out the requirements for public education in New Hampshire, are used to determine the state funding's portion of a school district's budget, and also address the essential aspects of school such as:

- School Climate and Culture
- Learning Levels
- Personalized Learning Plans
- Competency-Based Learning
- Assessment
- Course-Level Competencies, Standards, and Frameworks
- Work Study Practices
- School Calendar / Instructional Hours
- Learning Opportunities
- Physical Activity
- Overall Language
- Other Areas

We hope you will consider joining us and share your hopes for our present and future students.

Sincerely,

Meredith Nadeau, Superintendent of SAU 21

Dr. Lois Costa, Superintendent of SAU 90
