

Vysehrad ISD Board Approved COVID-19 Policy

- 1.) Masks are recommended but not required in accordance with executive order GA-38.
- 2.) Any student who has, or is suspected of having COVID-19, shall be excluded from school and must immediately notify parents if this is determined while on campus. Exclusion will remain until the following conditions for re-entry are met:
 - For children with symptoms, at least 5 days have passed since symptom onset, and fever free, and other symptoms have improved.
 - Children who test positive for COVID-19 but do not have any symptoms must stay home until at least 5 days after the day they were tested.
- 3.) Students, of a positive household member, will not be excluded from school. However, the student will be monitored by the nurse, every morning for 5 days, following the household members onset of symptoms or positive COVID-19 test.
- 4.) Parents must immediately inform the school nurse, of any student who has received a positive COVID-19 test. A note of absence is required, to be presented, upon return.
- 5.) If your child has symptoms of COVID-19 and do not feel well, please DO NOT send him/her to school and compromise the health and safety of all other students and staff members. Contact your local health care provider if you are seeking further guidance.
