

# ROCKET KIDS IS COMING TO YOUR SCHOOL

Rocket Kids is a young reader chapter book series that parents will enjoy reading to their pre-readers just as much as older kids will enjoy reading on their own. Woven with interesting facts about space, science and technology, Rocket Kids will teach readers about the universe in a way that is both entertaining and easily absorbed. Prepare for liftoff, as Rocket Kids is sure to be a family favorite for years to come!

**"THANKS TO THIS BOOK, MY 6-YEAR-OLD SPACE-LOVER IS BECOMING AN AVID READER! THE BOOK IS INTERESTING AND A MANAGEABLE READ, WHILE INTRODUCING MANY NEW WORDS TO CHALLENGE HIM. 5-STARS FOR SURE."**

-Kyle W. (parent)

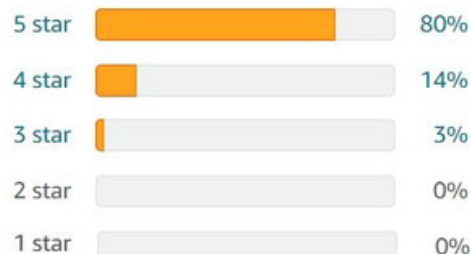

**"THIS IS AN AWESOME EARLY CHAPTER BOOK THAT WILL HOLD THE INTEREST OF YOUR LITTLE ONES FROM PRESCHOOL THROUGH ELEMENTARY. THE CHAPTERS ARE SHORT AND SWEET BUT FULL OF GREAT FACTS ABOUT SPACE TRAVEL AND HIGH-LEVEL VOCABULARY. YOU CAN READ TO, READ WITH, OR EVEN HAVE YOUR OLDER READER TAKE IT ON HIM OR HERSELF. WHAT A FUN ADVENTURE WITH NEIL AND KATE!"**

-Susie H. (elementary school teacher)
