Tournament Details:

Game Balls: Each team is responsible for providing one game ball for each game played. Please give these to Conrad Head Coach, Tyson Anderson, at the start of the tournament.

Warm Ups: Adjacent fields will be available for warmups, along with the batting cage located on the east end of the complex by the legion field. First come, first serve. Infield time may be taken prior to a team's first game of the day. Teams needing infield time other than their first game will be expected to warm up in the adjacent fields and be in the dugout ready to play by the scheduled start time. Teams finishing a game will be expected to clean their own area so the dugout is immediately ready for the next team. Please help us stay on schedule as much as possible.

Parking: Team buses may park in the center parking lot near the pavilion or on the far south side of the complex. Please do not park in the outfield areas of the two main playing fields.

Time Limits: A two-hour time limit will apply to non-conference games.

Home Team/ Official Book: There will be a coin flip at home plate to determine the home team for each game. The home team will be responsible for keeping the official book.

Concessions: TBA—we are still scrambling to make this happen. ADs will be contacted if things fall through so that teams and spectators can plan accordingly.

Please contact Conrad High School AD, Kara Baker, or Conrad Head Coach, Tyson Anderson, with any questions. During the tournament Kara can be reached at 406-402-7352 or email kara.baker@conradschools.org prior to the event.
