### **2018-2019 45-Day Budget Update Meadows Union School District**

Education Code Section 42127(i)(4) requires all districts to make available any budget revisions within 45 days after the State Budget is signed each year. The Education Code Section reads:

**42127(i)(4) – Not later than 45 days after the Governor signs the annual Budget Act, the school district shall make available for public review any revisions in revenues and expenditures that it has made to its Budget to reflect the funding made available by the Budget Act.**

The Governor signed the 2018-2019 Budget on June 27, 2018. The 45-day revision should be made by **August 13, 2018.**

The major changes between the January Governor's Budget/May Revise and the Enacted State Budget that may require revisions are the Super COLA 2018-19 increased percentage from the estimated 3% at the May Revise to the estimated 3.7% for all other programs, such as Sp. Ed., and the Discretionary One-Time Funds significant change from \$344 to \$184 per Average Daily Attendance (ADA) basis.

The GAP closure remained at 100% full funding.

**The Meadows Union School District at this time is not making budget revisions, to the approved budget, but will reflect any changes deemed necessary at the submission of the September 15, 2018 Unaudited Actuals Budget for the district.**
