I hope this letter finds everyone having a relaxing and enjoyable summer! With August right around the corner, school will be here before you know it. I just wanted to give a couple of reminders before official practices can start on August 1st.

- Final Forms are now open for the next school year. All athletes **and** parents need to have these completed by August 1st. When filling out the forms please make sure to add any sports you think your child may be interested in participating this school year. If I add your student to the team roster later, it will turn your name red and make you fill out more forms. If your child does not play that sport, I can remove them with no further action need by the parent.
- All students also need to have a valid sports physical on file with the athletic director by the start of official practice August 1st. Expiration dates of physicals can also be found on Finals Forms. The paper and pencil copy of the physical form can be found on the schools website.
- Sports schedules have also been posted on the school's website.

If you have any questions or concerns with any of the above information, do not hesitate to reach out and contact me at j.streicher@continentalpirates.org.

Thanks,

Jordan Streicher
