Dear Parents/Guardians,

I am writing this letter to update you on the upcoming change in your child's Science class that is currently being taught by Ms. Kathryn Margerison. Starting on or about May 1, 2023, Mr. Gregory Mills will be replacing Ms. Kathryn Margerison as the classroom teacher and will be teaching the Science class through the end of the 2022-23 school year.

The students will be in very capable hands with veteran Science teacher, Mr. Mills. Mr. Mills has served as a teacher and a department coordinator of the Hanover Park Science Department for a number of years. The principal and I will also be working closely with Mr. Mills during this transition period to ensure continuity for your child.

Should you have any questions or concerns, please feel free to contact my office. Thank you for your support and cooperation in this matter.

Sincerely,

Noemi V. Cartaño Schlecht
