SUPERINTENDENT MESSAGE

We are off to a great start at Winterset CSD, and we are looking forward to a great year. I wanted to take time this month to provide you with information about the special election that will take place on Tuesday, September 13th to extend the voter approved Physical Plant and Equipment Levy (PPEL). The current PPEL was put in place in 2014 when it passed during the last special election. The voted PPEL was put in place by the lowa Legislature in the early 1990s as a locally generated funding stream that is used to support school district facilities and equipment. The school board can ask the voters to approve a maximum levy of \$1.34 per \$1,000 of assessed property valuation. The state law is quite specific as to what the funds can be used for. PPEL funds can be used for things such as roofing replacement and repair, of our facilities, masonry repairs, energy conservation improvements, concrete and asphalt repairs, school buses, technology, and other facility improvements. PPEL funds can NOT be used for salaries, benefits, textbooks, or

educational programs.

Hopefully, by now all of you have been able to visit the new and remodeled areas of our district that were completed in 2020 with the support of the latest bond issue. The buildings are in great shape and provide a welcoming safe environment for our students to learn each and every day. In order to keep the buildings looking and working effectively there are ongoing maintenance needs that the PPEL allows the district to address on an annual basis. The PPEL generates approximately \$850,000 annually to support the ongoing maintenance buses, equipment, and district technology needs. Once approved the board is able to allocate funds to support these projects on an annual basis based on the short and long term needs that arise.

SCHOOL PICTURE DATES

Elementary Thursday, September 8th Retakes: Oct. 27 Middle School Retakes: October 14th Junior High & High School Wednesday, September 7th Retakes: Oct. 5

The PPEL is not a new tax as it has been in place since 2014. Since the current levy was put in place in 2014 the district's overall tax rate has decreased from \$18.49 to \$16.47 per \$1,000 of assessed value; a decrease of \$1.52. The use of PPEL funds to support ongoing maintenance within a district is something that most districts in the state take advantage of and is supported by their local communities. All of the Raccoon River Conference schools have a voted PPEL in place as well as the surrounding districts of Earlham, I-35, Creston, Martensdale St. Mary, and Van Meter.

We are extremely grateful for the support our community has and continues to provide to our district as we

strive to ensure that our facilities continue to meet the needs of our students and community. Maintenance and facility improvements are an ongoing need for our district. We encourage you to vote to extend the PPEL for another 10 years on September 13, 2022. Polls are open from 7:00 AM - 8:00 PM. Please check the Madison County Auditor's page for your polling locations. If you have any questions about the voted PPEL please feel free to contact the Winterset **Community School District's Administration** Office at (515) 462-2718.

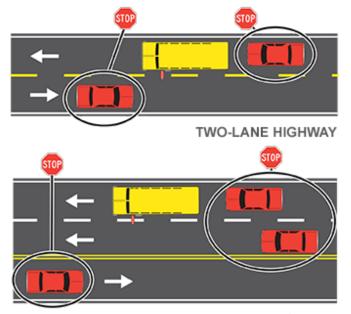

Yours in Service. Justin M. Gross Superintendent

BUILDING SAFETY MEASURES

In an effort to maintain a safe environment in our schools, all staff in Winterset will be wearing their staff identification badges while on any Winterset School Campus. Additionally, ALL visitors are expected to check into the office of any school building during regular business hours (7:30 a.m. - 3:30 p.m.) each time they visit the school. Visitors will need their driver's license or state issued identification card

to check in. Our system, LobbyGuard, checks state and national databases for individuals who are on the sex offender list. Once a visitor has been cleared. they will be issued a Visitor Badge. This must be worn at all times while in the building. Our staff will be asking people who do not have a badge to return to the office immediately. While this may be a slight inconvenience, this measure will provide better protection for our students.

Dear Winterset JH & HS Families,

It is with great enthusiasm that I write this letter of introduction as the new 7-12

Assistant Principal of Winterset Junior High and High School. I am incredibly grateful and excited to join the Husky Family! I look forward to working in partnership with Mr.

Cam Smith (HS Principal) and Mr. Joshua Heyer (JH Principal) along with our amazing teachers and staff - to continue the work of advocating for and providing all students and families with an educational experience where values and successes are celebrated. Prior to joining Winterset, I was a HS Technology Instructor and Technology Coach at Hinton Community School (NW lowa) for 14 years. Before becoming an educator, I was a restaurant manager, software consultant, and U.S. Army soldier with a tour of duty in Iraq, 2005. I enjoy the challenges of education, working with teachers, parents, and students - and I cannot wait to get to know our great students!

On a personal note, my wife, Jana and I enjoy spending time with our two children, Caden and Cambree, and all of their activities. Caden is a sophomore at Grand View University and is a thrower on the Track & Field team. Cambree is a sophomore at Winterset and is on the varsity Volleyball team, on Student Council, and will be on the Track & Field team.

I am committed to working alongside Mr. Smith and Mr. Heyer as we continue to provide leadership and build a structure of collaborative relationships in the school and community so that ALL students have a variety of opportunities to succeed! I look forward to meeting our students and families this coming school year!

Announcements:

- Attention Seniors!
 - FAFSA sign up is coming soon! Students planning to attend college during the 2023-2024 school year are encouraged to complete the application beginning October 1st, 2022.
 The application requires tax information from the previous year. The deadline to apply for FAFSA is July 1, 2023.
 - Some of you are in the process of applying for colleges. Official transcripts can be sent at
 any time but they need to be sent from someone in the school building. Let Mrs. Wetzel
 (twetzel@winterset.k12.ia.us) know when you have applied and she will send your
 transcripts to the selected colleges.
- Testing! Testing! Testing!
 - Several tests are being given during the Fall this year. The ACT's are given here in
 October, December, February and April to juniors and seniors planning to attend a

four-year college. These are four, 35-60 minute tests in academic areas of English, mathematics, reading, and science reasoning. Though these tests are not required for college admission, it still is important to take to help you get into your desired program. You must register online for the ACT at www.actstudent.org.

- October 22- registration deadline: 09/16/22 (09/30/22 with late fee)
- December 10- registration deadline: 11/04/22 (11/11/22 with late fee)
- February 11- registration deadline: 01/06/23 (01/20/23 with late fee)
- April 15- registration deadline: 03/10/23 (03/24/23 with late fee)
- June 10- registration deadline: 05/05/23 (05/19/23 with late fee)
- The PSAT/NMSQT test will be given on October 12th to high school sophomores and juniors nationwide. We encourage sophomores to take them for practice. The PSAT is a useful indicator of scholastic aptitude as well as the basis of some merit scholarships. PSAT is also the source of some college mailings that you will receive. Please contact your school counselor for more information.
- The Armed Services Vocational Aptitude Battery (ASVAB) Career Exploration Program is a two-part mission: to provide a career exploration service to American youth and provide qualified leads to military recruiters. Participants have no obligation to talk to a military recruiter or enter military service, but students in 11th grade and beyond can use their scores to explore enlistment if they choose. Please contact your school counselor for more information. November 10th will be the test date.

College Planning and College Visits

- On-campus visits are encouraged for seniors. Students wishing to make an on-campus visit must notify Mrs. Wetzel in the office and pick up the proper form two days in advance of the visit. This form requires students to check in with each of the teachers along with their teacher's signature and what work they will make up for the visit. This form also needs to be signed by a college representative during the visit and returned to the office the next day. If these procedures are not followed, the absence will be considered truancy with consequences following it. Please contact your school counselor if you need help arranging a college visit.
- Iowa College Access Network (ICAN) is a great resource for any high school student and their guardian to begin discussions about life after high school. Explore the site to learn about college and career options, as well as financial aid information and more! <u>Iowa</u>

Mental Health Tip of the Month:

Our lives are ever-changing and at times can be very stressful. In those stressful moments, it is important to remember to focus on our breathing so we may get to a more relaxed state of mind to make decisions. Finger-breathing is an easy tool to help remember.

- 1. Put your index finger out on one hand
- Starting from the wrist, you inhale as you come up the opposite hand's thumb and exhale as you come down the thumb.
- Continue inhaling and exhaling while moving your index finger up and down until you reach your wrist again.
- Repeat 3 to 5 times.

September tips for students from ICAN

Freshmen

- Ask your parents and other adults what they like and dislike about their careers. Find out what type of training or education is required for each job.
- Extracurricular activities are a great way to meet new people and scholarship organizations consider a student's involvement in school and community activities. Keep track of your participation with an activities resume, a great resource for scholarship and admission applications. Download a template at ICANsucceed.org/materials.

Sophomores

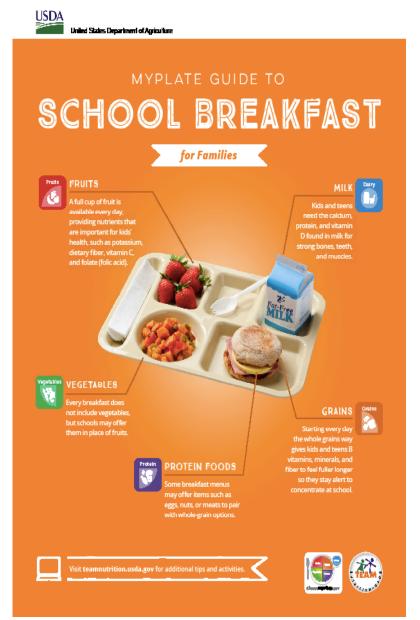

- Attend the Golden Circle College & Career Fair, lowa's largest. Talk with lowa employers, colleges & universities from across the country, and attend breakout sessions. For event details visit ICANsucceed.org/goldencircle.
- Talk to your counselor about taking the PSAT/NMSQT (preliminary SAT/ National Merit Scholarship Qualifying Test) as practice for the actual college entrance exams.

Juniors

- Attend the Golden Circle College & Career Fair, lowa's largest. Talk with lowa employers, colleges & universities from across the country, and attend breakout sessions. For event details visit ICANsucceed.org/goldencircle.
- Check with your school counselor to register for the PSAT/NMSQT, a two-part exam similar to the SAT. Scores are used to determine National Merit Scholars.

Seniors

- Register now to take the SAT and/or ACT. Free ACT study guides are available at https://cloud.e.act.org/free-practice-act-test.
- Begin writing essays for admission applications.
- Ask adults to write letters of recommendation.

Reminder: In order to qualify as a whole "meal" students must take all of the required elements. If they do not, then they will be charged ala carte for each item. This also means if you are free/ reduced, you will be charged at the higher rate, instead of receiving the free/ reduced rate. If you have questions about the USDA requirement, please contact the food service director @ Damien. Jaster@compass-usa.com

FFA NEWS & STATE FAIR UPDATE

By Landry Kaysen

The new school year means new opportunities, and joining FFA is one of them! This year we have many new ideas to bring to the chapter such as a barn dance and a school garden, in addition to our annual chapter events and fundraisers. Through FFA you will have many new opportunities in different fields you might not have access to elsewhere. A few of these include prepared and extemporaneous speeches, job interview practice, showing livestock, and more. You DO NOT need to live on a farm or have animals to be in FFA, in fact, there are several people in our chapter that live in town! You also don't have to wait until high school to join, Junior High members are more than welcome to be a part of our chapter. For more information make sure to come to our annual Back to School Picnic on September eleventh and while you are there enjoy free food and games! Congratulations to all of the chapter members who exhibited at the county and state fair, we are immensely proud of your success!

PLEASE CHECK THE DISTRICT WEBSITE FOR UPDATES AS THE FOLLOWING MAY CHANGE

WHS Student Council has been busy planning for the upcoming school year throughout the summer. They solicited donations to purchase freshman/ transfer student t-shirts for all incoming students. Officers planned a fun back to school social the week before school at the City Park. There were over 50 members there. The last 2 major accomplishments are picking a homecoming theme-Light up the Night: Neon"and laying out the plans for September 18-24. Student Council runs all of the homecoming week festivities, and it takes a lot of work to get everything ready.

Also WHS student Council has been recognized as an Honor Council for the state of lowa because of all their work over the last year. They have compiled an online scrapbook with all of last years' activities. We are also helping form a brand new Supintendent's Cabinet to voice student concerns. Frequently Asked Questions/Things to Consider

Why should my kid be in Band? Why is music important?

Beginning band will enrich your child's basic education and help develop greater self-confidence, responsibility, dexterity and self-expression. Participation in band encourages teamwork, self-discipline, cooperation and goal achievement. Plus, playing in the band is fun! It's a lifelong skill that is valuable to communities, colleges and people everywhere.

What instrument should my son/ daughter play?

All students will have the chance to try out all instruments in the first few weeks of school in their General Music class. I always recommend that students play an instrument that they think is "cool" with a sound they enjoy that they are excited about. If they start on an instrument they did not pick or are not excited about, it can be very difficult to keep your student motivated throughout the year or in the years ahead. Certain students are more likely to be successful on specific instruments due to physical features, similar to finding the perfect fitting shoe!

What instruments are in a Concert Band?

Flute, Clarinet, Alto Saxophone, Trumpet, French Horn, Trombone, Baritone, Tuba, and Percussion

When will my child have band? Do they miss any class?

5th grade band occurs on days 1, 3, 5 from 2:30-3:10. Every student will also receive one 20-minute lesson every 6-day cycle. These band lessons will not occur during core classes; students will be taken from other specials and general music for their band lesson. Students will need to be reminded frequently of the days in which they will need to bring their instruments to school.

Do I have to practice to be in band?

Yes, you have to practice to keep up with the class and to improve. Some students can get by for a while on talent alone. But, most of those students are quickly passed by their hard working friends who are practicing. Band is more fun if you are improving and successful, and practice is the only way to accomplish that. If you work at it, practicing can be fun. You just need to have patience and be creative.

Can we use a 'family instrument'?

Yes, that's great! As long as it is in good playing condition. If you have questions about the condition of your instrument, please take it to one of us or a local music store BEFORE the start of band to have it checked out.

We simply cannot afford it.

If your son/daughter wishes to be in band but you feel that he or she cannot participate due to financial constraints, PLEASE contact me. The school does have a limited number of school instruments available for such circumstances and we will not exclude a student from participating in Band because of money.

I found a cheap band instrument at Wal-Mart/ Costco/ eBay/ Amazon/ pawn shop.

Please beware of the band instruments that have started appearing in retail stores (Walmart, Costco, Amazon, etc.), their prices are certainly appealing, but remember the saying, "You get what you pay for." These instruments are built with non-standard parts that are almost impossible to repair. Most music stores have stated they will not offer repairs on these instruments. In short, these are toys, not instruments and are not a wise investment.

Pawnshops and Ebay are also very risky. The best way to assure the purchase of a quality instrument is to work with a reputable instrument dealer and/or instrument repair shop (ex. Rieman Music) – on-site repair facilities are an indication of expertise and commitment to customer service. If you would like additional guidance, feel free to contact your band teacher.

You will be amazed at the accomplishments the beginning band students will make in just one year's time. It IS hard work, but it is rewarding work and it produces skills that can last a lifetime! Looking forward to a GREAT year!

WCSD: Voted Physical Plant & **Equipment Levy (PPEL)**

What is a Voted PPEL?

The Physical Plant and Equipment Levy (PPEL) was created by the lowa Legislature in the early 1990s as a locally generated funding stream that is used to support school district facilities and equipment. Voters can approve a maximum levy of \$1.34 per \$1,000 of property tax.

What is the history of the Voted PPEL in WCSD?

The current Voted PPEL was approved in Winterset by voters on February 4, 2014. Since that time the funds have been used to replace roofs on buildings, purchase new buses and small vehicles, upgrade security systems, and enhance or improve several facilities across the district.

What can Voted PPEL funds be used for?

State law is very specific regarding how PPEL funds can be used. The funds can be used for things such as roofing replacement and repair, masonry repairs, energy conservation improvements, concrete and asphalt repairs, school buses, technology, and other facility improvements. PPEL funds can not be used for salaries, benefits, textbooks, or educational programs.

Don't forget to vote on September 13, 2022

How are the PPEL funds being used?

Annual PPEL Funded Projects:

- Non-instructional software
- Copier lease
- Administration office lease
- Tuckpointing maintenance on all buildings
- Vehicle replacements

Additional One-Time Projects:

- MS playground equipment
- Weight room equipment
- Resurfacing of the track
- MS parking replacement
- LobbyGuard security software · Resurface of N. HS parking lot
- HS kitchen equipment
- Additional home & visitor football bleachers

Projected Future Use of PPEL funds:

- Connectivity and internet network upgrades
- Student computer replacements
- Bus and small vehicle replacement
- Security system maintenance & upgrades
- Lease/purchase/build administration building
- Ongoing building & facility maintenance & upgrades

PPEL Vote

- First passed in 2014 at WCSD
- Voting for a 10-year extension
- Will NOT increase your taxes

When & Where

- Tuesday, September 13, 2022
- Polling opens @ Jackson Building from 7:00 AM-8:00 PM
- Absentee ballots available on August 15th; must be returned to the Auditor by September 13 by 8:00 PM

Funds Generated

- Approximately \$850,000 annually
- Allows the district to address its locally identified needs
 - Can NOT be used for salaries and benefits

As a caring and committed learning community, we will empower all within our learning organization towards continuous learning, personal excellence, and lifelong success.

Important Information & Comparisons

What has the impact of the Voted PPEL been on the district tax rate?

The chart to the right shows that over the past 14 years the district has maintained or lowered the tax rate over the previous year. You can see since the passage of the Voted PPEL in 2014 the overall district tax rate has decreased from \$18.49 to \$16.97 per \$1,000 of assessed value; a difference of \$1.52.

Do other districts across the state and in our conference also have a Voted PPEL to support their district's needs?

RRC School District	Voted PPEL	Amount Levied
ADM	Yes	\$1.34
Ballard	Yes	\$0.93
Bondurant	Yes	\$1.34
Boone	Yes	\$1.34
Carlisle	Yes	\$1.34
Carroll	Yes	\$0.67
Gilbert	Yes	\$1.34
North Polk	Yes	\$1.34
Winterset	Yes	\$1.34
Surrounding Districts	Voted PPEL	Amount Levied
Eartham	Yes	\$1.34
1-35	Yes	\$1.34
Creston	Yes	\$0.35
Martensdale St. Mary	Yes	\$0.67
Van Meter	Yes	\$1.34

As you can see from the chart to the left, all of the Raccoon River Conference schools have a Voted PPEL in place in addition to all of the surrounding districts. Of the 327 districts in lowa 275 of them have a Voted PPEL levy in place to support their districts' needs.

What happens if the PPEL doesn't pass?

The district will continue to have ongoing maintenance and replacement needs with regards to our facilities and equipment. If we are no longer able to use funds generated by the Voted PPEL we would be forced to use other funding sources such as our General Fund, which is used to pay our teachers salaries and benefits. Taking the revenues from the General Fund would negatively impact the number of programs we are able to provide our students.

Where can I obtain additional factual information about the Voted PPEL at Winterset CSD?

To obtain facts about the upcoming vote to extend the voted PPEL levy for an additional 10 years, contact the Winterset Community School District's Administration Office at 515-462-2718.

As a caring and committed learning community, we will empower all within our learning organization towards continuous learning, personal excellence, and lifelong success.

WHAT TO DO AFTER YOU LOSE IT WITH YOUR KIDS?

Let's be honest, you're going to "lose it" with your kids sometimes.

AND THAT'S OK!

Losing it occasionally teaches kids that...

- All Humans lose their temper sometimes
- Tension or conflict are a normal part of relationships
- It is not automatically problematic
- We CAN make the relationship stronger even after a conflict!

So, The Most Important Part of Losing It?

The repair!

(And definitely **NOT** guilt!)

©AFineParent.Com 2022

In her masterclass, Managing Our Triggers,
Dr. Carla Naumburg shares how we can recover when
we've "lost it" with our kids.

FIRST, CALM YOURSELF DOWN

- Take deep breaths
- Count to ten
- Recite a prayer or mantra
- Physically get out your energy (walk, run, dance, exercise etc.)
- Or, anything else that works for you

Preventing Youth Suicide: Tips for Parents and Educators

If you or someone you know is suicidal, get help immediately via 911, the National Suicide Prevention Lifeline at 1-800-273-TALK or the Crisis Text Line (text "HOME" to 741741).

Suicide is preventable. Youth who are contemplating suicide frequently give warning signs. Do not be afraid to ask about suicidal thoughts. Never take warning signs lightly or promise to keep them secret.

Risk Factors

- Hopelessness
- Non-suicidal self injury (e.g., cutting)
- Mental illness, especially severe depression, but also post traumatic stress, ADHD, and substance abuse
- · History of suicidal thinking and behavior
- Prior suicide among peers or family members
- Interpersonal conflict, family stress/dysfunction
- · Presence of a firearm in the home

Warning Signs

- Suicidal threats in the form of direct (e.g., "I want to die") and indirect (e.g. "I wish I could go to sleep and not wake up") statements
- Suicide notes, plans, online postings
- Making final arrangements
- Preoccupation with death
- Giving away prized possessions
- Talking about death
- · Sudden unexplained happiness
- Increased risk taking
- Heavy drug/alcohol use

What to Do

- Remain calm, nonjudgmental and listen.
- Ask directly about suicide (e.g., "Are you thinking about suicide").
- Focus on your concern for their well-being
- Avoid being accusatory (e.g., don't say, "You aren't going to do anything stupid are you?").
- Reassure them that there is help; they will not feel like this forever.
- Provide constant supervision. Do not leave the youth alone.
- Remove means for self-harm, especially firearms.
- Get help! Never agree to keep suicidal thoughts a secret. Tell an appropriate caregiving adult. Parents should seek help from school or community mental health resources as soon as possible. School staff should take the student to a schoolemployed mental health professional.

Reminders for Parents

After a school notifies a parent of their child's risk for suicide and provides referral information, parents must:

- Continue to take threats seriously.
 Follow through is important even after the child calms down or informs the parent "they didn't mean it."
- Access school supports. If parents are uncomfortable with following through on referrals, they can give the school psychologist permission to contact the referral agency, provide referral information, and follow up on the visit.
- Maintain communication with school.
 After an intervention, the school will also provide follow-up supports. Your communication will be crucial to ensuring that the school is the safest, most comfortable place possible for your child.

Corporal Punishment, Restraint, and Physical Confinement and Detention

State law forbids district employees from using corporal punishment against any student. Board Policy series 500. Certain actions by district employees are not considered corporal punishment. Additionally, district employees may use "reasonable and necessary force, not designed or intended to cause pain" to do certain things such as prevent harm to persons or property. Employees are provided annual training on this law.

State law also places limits on district employees' abilities to restrain or confine and detain any student. The law limits why, how, where, and for how long a school employee may restrain or confine and detain a child. Parents' Roles During Emergencies

Providing a safe place for students to learn and grow is one of the most important responsibilities of any action system. Along with school officials, leachers and staff, families play a critical role in preventing and responding to emergencies. This information is intended to provide parents and guardians with the steps you can take before, during and after an emergency. It is the ABC's of the parent's role during emergencies.

A Beline

Prevention: The Role of Parents in Keeping Schools Safe – Parents and community members play an important role in keeping our schools safe. You can be our eyes and ears by reporting any issues, concerns or rumons related to safety to district or last enforcement officials. Two holine numbers that are answered 247:

- Ione Health Systems (515) 244-1000
- Mercy Franklin Center (515) 271-6111

You also can help by following and supporting all security measures when you visit one of our school buildings. This includes signing in and out at all school district offices and wearing a visitor's badge at all times while in the building.

Coolact Information: Another of the most important steps parents can take prior to an emergency is to ensure contact information is updated regularly in the district's Infinite Campus system. Please regularly update emergency and contact telephone numbers, e-mail addresses and other information with your school to ensure you receive information and updates during emergency situations.

If is also important to review and update information regarding who can legally pick-up your child during an emergency. Once this information is on file, you should ensure that those people are aware they have been listed as:

your "emergency contacts", and that they may receive messages via phone and/or e-mail during an emergency, meather early out, or other situation.

If your child is on medication, be sure the school has at least a two-day supply.

Create your own family emergency plan. Develop a family communication plan and have a supply lot to sustain your and your family for two to three days. For tips on how to prepare a plan go to was bereatylous ong.

A. Darina

In a school emergency, the first instinct of many parents is to pick up the telephone and call their child or school, and/or rush to the school to get their children. But the truth is, this only complicates malters from a safety and security standpoint. Parents too close to an incident often hinder rescue attempts of the police and fire officials on the scene. Calling your child's cell phone may prevent them from hearing important, even life-saving information. Too many parents calling the school also be up needed phone lines and hinder efforts to communicate. Students will be able to use cell phones if they need immediate assistance and once they are safe.

The best action parents can take in an emergency is to munitor their phone, e-mail and district website for regular updates and instructions.

- Do not report to your child's school during emergency situations. Law enforcement officials will not allow entry
 to the school site during a belotown or sheller-in-place.
- Avoid calling the school or the district during the emergency.

Notification and Communication: The district is committed to providing parents and guardians with the latest and most accurate information available. Parents will be actual to monitor official emergency updates at the district's nebsite. In today's world, it is likely students will be testing and calling parents immediately. Be aware that information you receive from your child may not always be accurate; ensure the information you are using is official and comes directly from the Winterset Community School District.

School Eroergency Response Proincols: A school crisis can take a number of forms including an environmental event, such as a chemical spill or gas leak; a weather emergency, such as a tornado warning, or an intruder in or near the school. The nature of a school crisis dictates whether district officials will put in place a lockdown, shelter-in-place, evacuation, or any combination of but of these protocols, as a means to ensure the sately and wellbeing of students and staff.

When and Why are Statients and Staff Asted to Lockdown, Sheller-in-Place or Evacuate?

- Localzione A localzione is normally in effect when there is a threat inside the building. Students and staff are
 removed from harms way by having them safety localed inside secure dissertions or other areas inside the
 building to reduce the risk of being exposed to the source of potential harm. During localziones access to the
 building is prohibited.
- Shelter-in-Place Shelter-in-place is instituted when the threat is outside the building. Students and staff are secured inside a classroom or other areas inside the building reducing the risk for exposure to inclement variables or other colential harm such as a cas release.
- Evacuation Evacuations are typically conducted to remove students and staff from harms way by having them safely evacuate the school and reassemble in a more secure toration.

If the school building is execusivel, how will I be able to locate my child?

Parents will be directed to a specific location where they will be required to show proper identification. At the
reunification site, school administrators, police and fire officials account for students and provide aide to those
who need it immediately. Students are released only to authorized individuals. If you are a non-ouslocial
parent, you must be listed with your child's emergency contact information as a guardian and show proper
identification.

C. Atter

Monitor your child's behavior and let the school know if you think counseling or help is needed. Following a school crisis, specially trained actool and district crisis team members and social workers are available to provide counseling and outside referrals to students, staff members and others who may need it.

Recovery Plan – Depending on the nature and amount of damage, school maybe moved to a different location. The district will inform parents of any changes.
