

The New ILearn State Assessment Math Grades 6-7-8

Presented by:

Jessica Poe, Principal, Hope Elementary School
Flat Rock-Hawcreek SC

Mark Fahey, Principal, Wapahini High School
Liberty-Perry CSC

Both presenters received extensive ILearn training
and both are directly involved in testing
administration in their districts.

Objectives:

- *Learn about the connections among content standards, process standards, depth of knowledge (DOK) and problem solving strategies
- *Learn how to evaluate the (DOK) level for math problems and/or activities
- *Learn how to use new resources provided by the DOE linked to the new ILEARN state math assessment for 2018-19
- *Learn how to use other classroom-ready math resources aligned to the new ILEARN state math assessment for school year 2018-19
- *Create a new math curriculum map (calendar) based upon the 2014 Indiana Academic Standards with a particular focus on "Super Standards"
