The Superintendent shall arrange for a meeting with the grievant to take place within five (5) days of his receipt of the appeal. Each party shall have the right to include in its representation such witnesses as it deems necessary to develop facts pertinent to the grievance. Upon conclusion of the hearing the Superintendent shall have three (3) days in which to provide a written decision with reasons to the grievant. The purpose of this step is to try to resolve the grievance.

Section 6.7 - STEP THREE: If the Association/grievant is not satisfied with the disposition of the grievance at Step Two, the Association may submit the grievance to final and binding arbitration. The Demand for Arbitration must be filed with the Board within thirty (30) days of the Step Two decision. If the Association and Board cannot agree upon an arbitrator within seven (7) days of the Demand being
filed, the Demand shall be submitted to the American Arbitration Association which shall act as the administrator of the proceedings. If a Demand for Arbitration is not filed with the Board within thirty (30) days, then the grievance shall be deemed withdrawn.

The following steps will then occur:

1. The applicant should file an application with the Association President, giving name, building, reason for need, and approximate number of days needed. If requested, this material will be kept confidential.

2. The Association President, with the approval of the MSEA Executive Board, will review and grant the requesting member sick days up to the number needed.

3. If the sick bank does not have enough days, the Association Representatives will circulate a “request for transfer of sick days” first to the requesting member’s building and then to the membership as a whole as needed. Days will be transferred to the requesting member in the order of the forms received by the District, only up to the number of days needed. Unused “donations” will be deposited into the sick bank.

4. Days used from the sick bank or transferred will only apply to the current school year.

Section 12.12 - VACATION LEAVE: Vacation time will not accumulate from one fiscal year (July 1 to June 30) to the next. Any unused vacation time will be credited to earned sick leave on the first payroll in July. Refer to Appendix X.

Section 13.2 - EMPLOYEE DISCIPLINE:

A. No employee shall be disciplined except for reasonable cause. Disciplinary action shall be progressive and defined as verbal warning, written reprimands, suspension, or demotion of any bargaining unit member, or the dismissal of support staff employees. In situations that require urgent response due to the severity of the infraction the parties agree that the progressive discipline process is an insufficient response.

B. Suspension of an employee for a period of longer than ten (10) days with pay or five (5) days without pay, shall be preceded by a hearing before the Board of Education and the action passed by a majority vote of the Board.

Section 13.3 - RIGHT OF REPRESENTATION: When an employee is required to appear before an administrator for any reason that may lead to disciplinary action, the employee shall be entitled to have Association representation present. Further, when an employee is required to attend such a meeting before the Board, the employee shall be advised in writing of the reasons for the requirement 24 hours prior to the meeting thereby allowing a reasonable amount of time for representation.

Eligible employees may choose from among any one (1) of the above options at Board expense. Additional choices will be at the employee’s expense. The individual employee coverage under the option selected will become effective on the first day of selection and will continue for a 12 month period until the window period for option selection reopens. If the employee does not elect to change his/her option during the window period the employee shall continue with the option previously selected. If the employee is no longer employed in the district at the end of the 12 month period, continuation on any health insurance plan shall be pursuant to Federal statute.

C. Support Staff employees may participate in a dependent care reimbursement account plan. This flexible benefit account will be made available annually. Dependent care expenses will be reimbursed at a maximum of $5,000 unless the employee is married and files separate tax returns which, in that case, sets the maximum of $2,500. Administrative expenses shall be borne by participants.

D. These programs are offered by the district for employees, the district does not make any assertion as to the tax consequences related to these programs. Employees are advised that employees should consult their CPA/tax advisor regarding any personal tax related consequences. The employee shall acknowledge that he/she has read any materials evaluative in nature by affixing his/her signature on the copy to be filed. However, any material evaluative in nature which has not been reduced to writing within thirty (30) calendar days following the event or occurrence may not be added to the file. Any materials not contained in the employee’s personnel file may not be used to evaluate or discipline the employee in any manner.

B. The employee shall submit a written request to inspect his/her personnel records to the Superintendent or the Superintendent’s designee.

C. The Superintendent or the Superintendent’s designee shall provide the employee the opportunity for inspection of the requested records within two (2) working days after the request. If such deadline cannot reasonably be met, the Board shall have one additional day to comply.

D. The employee shall inspect the personnel record at the district administrative office during normal working hours or at another time mutually convenient to the employee and the Superintendent or the Superintendent’s designee.

E. Inspection of personnel records shall be conducted under the supervision of an administrative staff member. A representative of the Association, at the employee’s request, may accompany the employee in this review.

F. The employee may copy material maintained in his/her personnel record. Xerox copies will be charged at the rate of 15 cents per page.

G. Should the employee be unable to inspect his/her personnel records in person, the district shall mail a copy of the requested record upon written request.

H. In the event any file materials are determined to be inaccurate or unfair by legal or grievance proceedings such portion of materials will be removed from the employee’s file.

the information is disclosed. There are a few exceptions to this written notice requirement. Records of
disciplinary actions that are less than four years old may be divulged to third parties without written notice if:

1. The employee has signed an employment application with another employer waiving written
notice; or

2. The disclosure is ordered to a party in a legal action or arbitration; or

3. Disclosure is requested by a government agency involved in a claim or a complaint by an
employee or a criminal investigation.

K. At the time of inspection, the employee and administrative staff member shall record on a checklist the
items that the employee’s personnel record contains upon that date. This checklist will be dated and signed
by both the employee and the administrative staff member and remain in the file. Within thirty (30) days
following the date any material of a non-routine nature is entered into the employee’s personnel file, the
employee shall be notified of such inclusion and shall have the right to respond, with such response being
attached to the file.

L. The Board has policies and rules and regulations which elaborate on the management of personnel files
consistent with state law. These policies and rules and regulations will not conflict with this Article.

ARTICLE XIX - EFFECT OF AGREEMENT

Section 19.1 - The parties mutually agree that the terms and conditions set forth in this Agreement represent
the full and complete understanding and commitment between the parties hereto which may be altered,
changed, added to, deleted from, or modified only through the voluntary, mutual consent of the parties in
an amendment hereto. However, the Board shall be required to bargain collectively with regard to policy
matters directly affecting wages, hours and terms and conditions of employment as well as the impact
thereon upon request by the Association.

Section 19.2 - The Agreement shall not be modified in whole or in part by the parties except by amendment
in writing duly executed by both parties.

Section 19.3 - The appropriate terms and conditions of this Agreement shall be reflected in individual
contracts.

Section 19.4 - Should any Article, Section or Clause of this Agreement be declared illegal or modified by
court of competent jurisdiction or by state or federal statutory change said Article, Section, or Clause, as
the case may be, shall be automatically deleted from this Agreement to the extent that it violated the law,
but the remaining Articles, Sections, and Clauses shall remain in full force and effect for the duration of the
Agreement, if not affected by the deleted Article, Section or Clause.

A. Until all appeals are exhausted with respect to the legality, validity or enforceability of such provision,
the provision shall remain in full force and effect.

B. Within ten (10) days of such final determination, the parties shall meet to renegotiate the terms and
conditions affected.
C. In any event should the affected provision subsequently become legal, valid or otherwise enforceable, it shall remain a part of this Agreement unless the parties agree otherwise.

**ARTICLE XX - NO STRIKE**

The Association will not call for, engage in or encourage any strike action during the duration of this Agreement.

**ARTICLE XXI - DURATION**

APPENDIX Y – TRANSPORTATION

MILEAGE – The District will pay the Federal mileage rate if an employee in an ESP classification is required to use his/her vehicle while on the job.

MINIMUM PAID TIME FOR FIELD TRIP – The District agrees that the minimum paid time for a field trip is two (2) hours.

POSTING OPEN ROUTES – One week before school starts, bus routes will be assigned according to the following criteria:

a. Certified bus drivers have priority in keeping the route they drove the previous year. If a route is redesigned, each driver will have priority in selecting a new route or keeping the route that closely resembles the previous school year’s route. If more than one route is redesigned, routes will be assigned according to seniority.

b. Certified bus drivers who wish to change their route can apply for any open route. Open route assignments will be based on an interview.

c. Non-route certified bus drivers can apply for a regular route; the same system used for certified bus drivers will be followed.

ASSIGNMENT OF SUMMER SCHOOL ROUTES – Available summer school routes will be posted at the transportation department each summer and all certified drivers and monitors shall have the option of signing up for summer routes. Once the number or routes and monitors is determined, assignment shall be in accordance with the seniority list. Drivers may only apply for summer school routes if they are available to drive at the route time and have been actively driving by May 1 of the current school year.

ASSIGNMENT OF FIELD TRIPS – Field trips will be assigned to a driver according to the seniority of those who signed up for the day’s trips on the sign-up sheet beginning with the regular route drivers and then sub drivers. Everyone with hours available will receive a trip before a second trip will be awarded. Field trips are posted Monday morning and are taken down Wednesday at 8:30 a.m. Trip assignments are the responsibility of the Director. If a driver does not sign up for any field trips, they forfeit their chance. Each driver can take field trips as long as their weekly hours do not exceed 40 hours per week. Additional hours can be assigned by the Director as needed, but to accommodate extra hours, regular time may have to be scheduled off to keep hours below 40.

a. In the event that a trip comes in after all trips are assigned, the original trip sign-up sheet will be checked and the same procedures will be followed as above (assigned by seniority, number of trips assigned per person for the week and checking an individual’s available weekly hours.) If the trip can not be filled using the original sign-up sheet and time allows, the new trip will be posted on the board with a new sign-up sheet for that trip alone. The trip and sign-up sheet will be posted for 24 hours, at which point it will be taken down and trip assigned using the normal trip assignment procedures (seniority, number of trips assigned per person for the week and checking an individual’s available weekly hours.) If this trip comes in less than 24 hours prior to departure and it cannot be assigned using the original sign-up sheet, the trip will be posted to the board and assigned on a first available basis. Drivers can take field trips and work up to 40 hours in a work week. Additional hours can be assigned by the Director as needed, but to accommodate extra hours, regular time may have to be scheduled off to keep hours below 40.
b. The driver may indicate at sign-up that they have a child or grandchild on a particular trip. A driver with a child or grandchild on the trip will take assignment precedence on that trip, regardless of seniority. However, such precedence will only be given for a particular driver on one trip per week and only once per year on overnight trips.

c. An overnight trip sign-up sheet will be posted at the beginning of the year for those that wish to take overnight trips. The list of interested drivers will be ordered by seniority, beginning with most senior. If an overnight trip comes up and it is a driver’s turn and the driver passes, that driver will not be eligible again until the list of interested drivers has gone through a complete cycle. To accommodate extra hours, regular time may have to be scheduled off to keep hours below 40.

DEFINE REGULAR ROUTE DRIVER AND NON-ROUTE DRIVER – A “regular route driver” is defined as a driver who has selected or been assigned to a regular daily route. A “non-route driver” is a driver who has selected or been assigned to a regular substitute position or who is awaiting selection or assignment to a regular route or a substitute position.

DRIVER PROBATIONARY DATE – The District continues to follow the current practice with respect to probationary periods for route drivers and non-route drivers.

ADVISING DRIVERS OF STUDENT HEALTH ISSUES – The District agrees to advise on a need to know basis in accordance with state and Federal law.

THE WORD “CERTIFIED” BEFORE REFERENCES TO “BUS DRIVER” IN THE CONTRACT – By this change the parties do not intend to extend any benefits to the bus drivers to which such employees were not entitled before this language change.

SIT TIME – Refer to Appendix X

OVERNIGHT TRIPS – The District shall continue past practice of reimbursement of overnight trips as outlined in board policy.

EXTRA DUTY – Extra duty is limited to bus washing, office duty, or taking buses to the safety lane. Management reserves the right to hire non bargaining unit members to perform these duties. These positions do not have to be posted nor filled according to seniority. Pay rate will be at the appropriate work category.

MECHANIC CLOTHING ALLOWANCE – Refer to Appendix X

MINIMUM PAID DRIVE TIME - Minimum paid drive time (certified bus driver wages) on AM and PM routes, 2 hours each.

CDL RENEWAL - District pays cost to get CDL renewal.
