

Short Term Goals

- Help teachers provide curriculum based differentiated learning
- Improve student state ELA and Math assessment scores year over year
- Increase parental involvement
- Better engage all of your students with a special focus on At-Risk and ELL students
- Give teachers the ability to answer students' questions online in their area of expertise

Long Term Goals

- Decrease dropout rates
- Decrease divergence in scoring between At-risk and non at At-Risk students
- Provide teachers with a vehicle to collaborate in creating a shared **National K-12 Virtual Library™** of mini videos to supplement their lessons
- Continue to increase the videos included in the **National K-12 Virtual Library™**

Empowering Teachers, Engaging Students

2018-19
