

My School Squared

Empowering Teachers, Engaging Students

My School Squared is a **dynamic web-based resource** that focuses on helping At-Risk and ELL/ESL students. Here is a quick overview-

- Helps teachers provide **meaningful differentiated learning** to better engage students
- Easy to find videos and reference materials to compliment teachers' lessons
- Teachers receive Honorariums for sharing videos with the **National K-12 Virtual Library™**
- Promotes **parental involvement**
- Fully integrated **Electronic Planner and Grade Book** reduces teachers' administrative time
- Promotes many **Educational "Best Practices"**
- Enhances **"After School Programs"**
- Initiating a **Social/Emotional Learning** topic to help students with critical non academic issues
