I am writing this in an email so you will have record for the office. I will not be returning to the cafeteria this fall. We will be selling our house and moving out of state. I am sorry for this last minute decision. You can call me if you want to talk. I am thankful for all you have done for me and my family and for the last four years of employment. I love you all and I will miss being part of the cafeteria family. I wish you all the best.
