

## Seneca Grade School - CAFETERIA

Dear Parent or Guardian,

We know life is busy and lunch money is the last thing on your mind, so let MySchoolBucks help. It's an easy way to keep track of your child's lunch account so take a few minutes and register today. But before you start you will need to know your child's lunch account number. Ask your child, call the school or send an email to [wcondon@sgs170.org](mailto:wcondon@sgs170.org).

Why should I register with MySchoolBucks?

- We never want to deny a student what they want to purchase, but it happens when a student does not have sufficient funds to cover the cost of their purchase. By receiving the **low balance emails** you can keep your child's account up to date.
- View their purchases
- Make payments for all your children in one easy transaction
- You have the option to pay online or continue to send money with your child
- You can even set up automatic payments when your child's account drops below an amount set by you
- 24/7 convenience
- Help us go green and use less paper

You can find the link on our school website or simply go to [MySchoolBucks.com](http://MySchoolBucks.com) and sign up today for your free account – it walks you through the process and it only takes a couple minutes.
