

Please use the traffic loop along Channel Islands Blvd. We are hopeful that this area will ease congestion and provide a safe area for students to be dropped off and picked up each day. In order to ensure the best traffic flow and that cars do not block the driveway at the mobile home park along Channel Islands Blvd., please follow the below traffic map. Parents may enter the drop off area by making a **right hand turn only** from Channel Islands Blvd. To get to Channel Islands Blvd in the correct direction, you stay to the left on C.I. Blvd (where C.I. Blvd. splits in two directions), which becomes Harbor Blvd. Then make a right on La Brea and a right on Sunset Lane.

Please have students exit on the right hand side of the car.

Thank you for your cooperation!
