Bus Rules

1. All students are to respect the property surrounding the bus stop, both at school and in the community.
2. Students shall maintain cooperative and polite conduct at the bus stop, as well as going to and from home from the bus stop.
3. Students shall obey all traffic rules relating to pedestrians at the bus stop.
4. Students shall not interfere with the normal conduct of traffic or personal needs of those living around the bus stop.
5. Students shall obey all school and bus rules as listed on the bus conduct report.

Parents and students must sign a bus contract for the school year. This contract explains the referral system for minor and major infractions. Bus safety is our main concern, and we appreciate your cooperation and support in the transport of your child/ren.

If an occasion arises that a child needs to exit the bus at a stop other than his/her regular stop, then the parent/guardian must send a note to the teacher on the day of the change. A parent/guardian, or designated babysitter must be present with a kindergarten student at both pick-up and drop off at the bus stop. If no one is there, the child will be returned to the school office unless you have signed the Bus Pass for your student to walk home.
