## COVID Exposure Notification Page

- Button on [www.bishopschools.org](http://www.bishopschools.org) homepage

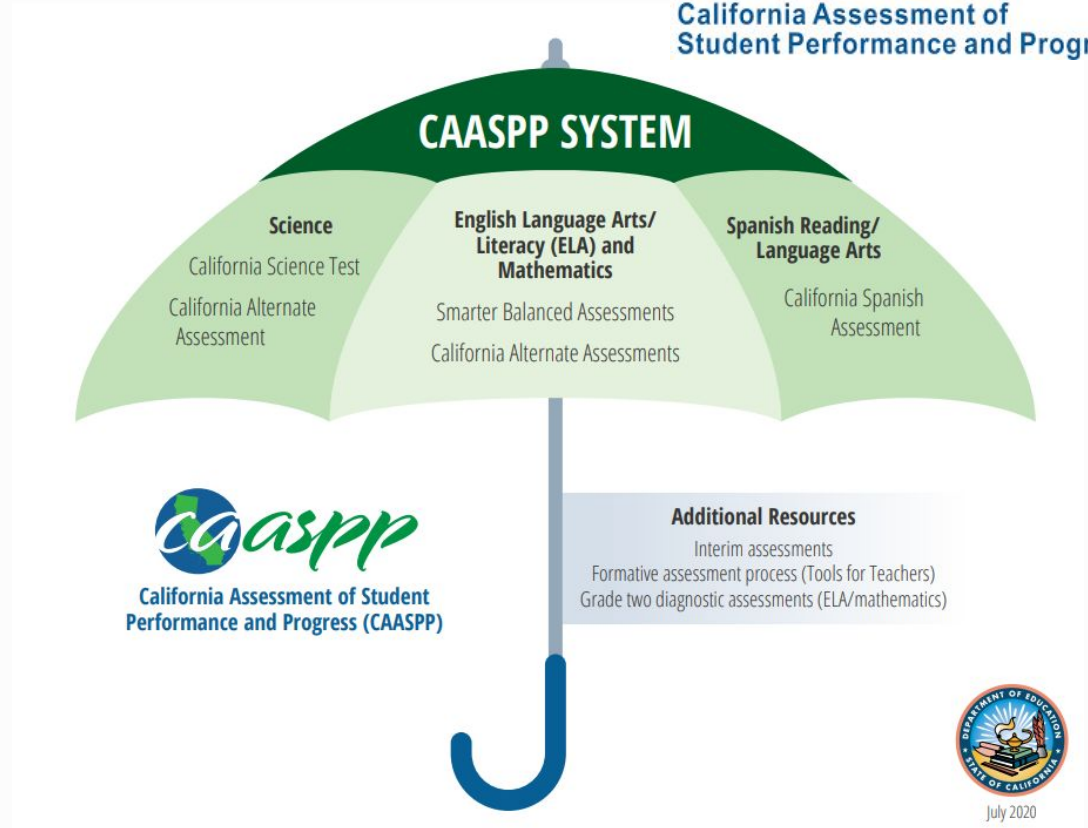

The screenshot displays the homepage of Bishop Schools. At the top, there is a blue navigation bar with a video player showing a horse in a paddock. Below this is a section titled "OUR SCHOOLS" featuring four school photos: Bishop Elementary School, Home Street Middle School (with "HOME OF THE COLTS" signage), Bishop Union High School, and Palisade Glacier (Alt Ed). A dark blue horizontal menu contains icons and labels for: TK / KINDER REGISTRATION, 22-23 SCHOOL CALENDAR, BUS SCHEDULE, PARENT PORTAL (AERIES), JOB OPPORTUNITIES, and COVID EXPOSURE NOTIFICATIONS. A yellow arrow points to the "COVID EXPOSURE NOTIFICATIONS" button. Below the menu are sections for "LIVE FEED" (with "See All Posts" link) and "NEWS" (with "See All News" link). The live feed shows a post from "1 day ago, BUSD". The news section includes a "2:00pm" event and a "2:15pm" event, both with "FIRST9" logos. A banner at the bottom right reads "NIHD Healthy Lifestyle Talks go back to school".

## iReady

2 components:

1. Assessment
2. Lessons (supplemental)

### What is *i-Ready*?

*i-Ready* is an online program for reading and/or mathematics that will help your student's teacher(s) determine your student's needs, personalize their learning, and monitor progress throughout the school year.

*i-Ready* allows your teacher(s) to meet your student exactly where they are and provides data to increase your student's learning gains. *i-Ready* consists of two parts: Diagnostic and Personalized Instruction.

The *i-Ready Diagnostic* is an adaptive assessment that adjusts its questions to suit your student's needs. Each item a student sees is individualized based on their answer to the previous question. For example, a series of correct answers will result in slightly harder questions, while a series of incorrect answers will yield slightly easier questions.

*i-Ready Personalized Instruction* provides students with lessons based on their individual skill level and needs, so your student can learn at a pace that is just right for them. These lessons are fun and interactive to keep your student engaged as they learn.

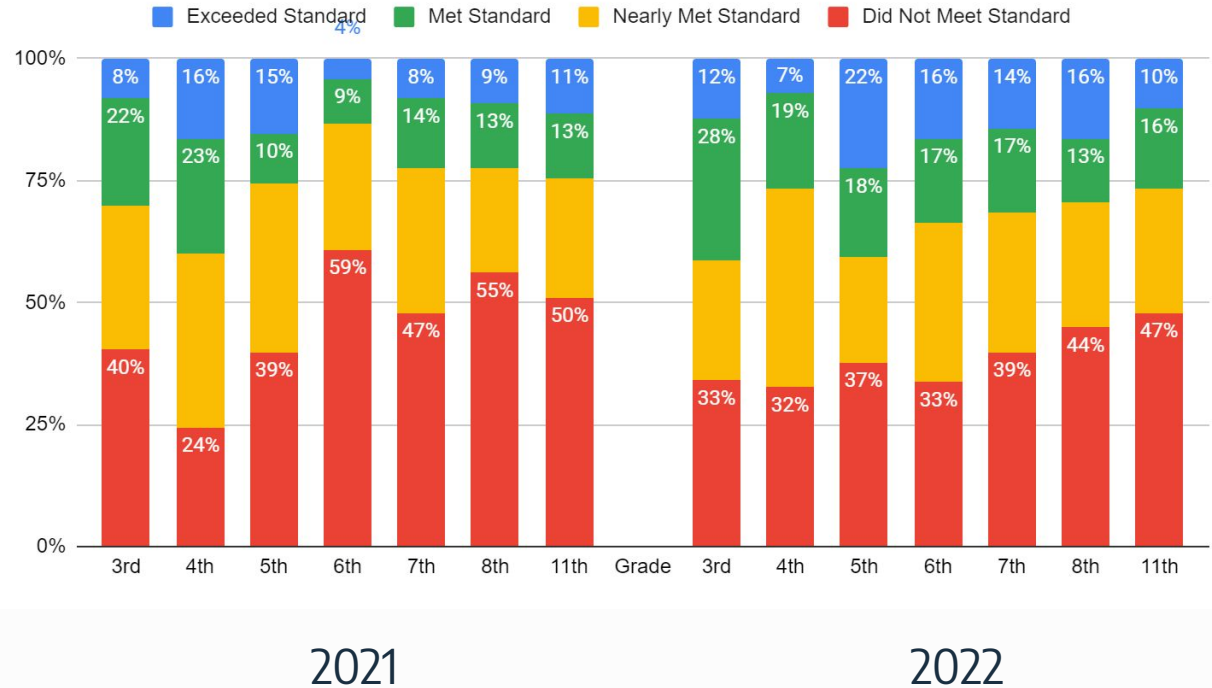

- Assess 3x per year, tracks growth, targets areas of need
- Data available in Aeries, can track progress over time
- Recommendation: 45 min per week (ELA & Math) = students reach target growth
- MyPath - individualized lessons online for students,
- Teacher toolbox - resources to target specific standards/skills
