BUS CONDUCT

Students must adhere to rules and regulations set for the safety and well being of passengers and driver.

The bus driver is in charge of each trip and is responsible for conduct and control of pupils while loading, riding, or leaving the bus. Violations of bus rules and regulations can result in loss of riding privileges. Drivers will give a bus violation report to parents of students who abuse the riding privilege. The first note is a warning which must be signed by a parent or guardian and returned to the driver the following morning. The second note brings disciplinary action and possible suspension of bus riding privileges from one (1) to five (5) days. Parent must contact the driver, principal or superintendent before the suspension is lifted. The third note may bring from one day to complete suspension from riding the bus. Parents must meet with the driver and the Board of Trustees and work out proper corrective measures before the student will be allowed to ride.

The student may preserve this riding privilege by observing a few safety and behavioral rules:

1. If you ride the bus to school – you ride it home. If you are not going to ride the bus home after school, bring a note from your parents when you get on the bus in the morning.
2. Pupils shall conduct themselves in an orderly manner or be denied the privilege of riding the bus. In the event of disorderly conduct, the privilege of riding the bus WILL BE DENIED.
3. Pupils are to remain seated while the bus is in motion. They are not to stand or move from one seat to another.
4. Pupils must not put arms, head, or any portion of their body out the windows.
5. Pupils must not throw any articles in the bus, out the window or on the floor.
6. Pupils shall not use profanity or obscene gestures.
7. Pupils shoving, tripping, pushing or hitting another pupil while entering, leaving or on the bus, may be denied transportation. Harassment of other students is prohibited.
8. Pupils may be assigned seats on the bus by the driver as necessary for control or organization.
9. Pupils will remain quiet and orderly on the bus. Radios or cassettes will not be allowed on the bus for home to school transportation. Only radios or cassettes equipped with headphones may be used on athletic and extended field trips, and only at the bus driver’s discretion.
10. Students cannot transport animals on the bus at any time.
11. No eating or chewing gum on the bus, with the exception of athletic and extended field trips. On these trips the students shall be responsible for keeping the bus clean. If the buses are not kept clean; other eating arrangements will be made.
12. No hazardous articles on the bus (glass bottles, jars, cans, bats, balls, sharp instruments, skateboards, school projects or other articles that cannot be held safely in the students’ lap.
13. Defacing or damaging school property is prohibited.
14. Possession or use of alcohol or tobacco is prohibited.

Students may preserve their riding privileges by obeying the bus driver and adhering to rules of student conduct in any school activity.
