This is a very busy event so carpooling is encouraged. Be pro-active and responsible by making sure to communicate with your parents before Friday. No vending machines are allowed to be used.

Students interested in joining the Whiteland FFA may pick up a flyer in the office or at lunch. FFA is an organization that promotes premier leadership, personal growth, and career success through agricultural education. Our local chapter at WCHS has invited interested middle school students to join. The callout meeting is scheduled for next Wednesday, Aug 29 at 6:00 at WCHS.

Last night the Lady Warrior Volleyball teams swept Franklin Twp West. Both the 7th and 8th grade disposed of the Flashes in straight sets...great job, Ladies!!

The Girls Golf team played well but came up just short to Perry Meridian at Southern Dunes golf course. Chloe Cooper and Kylie McGovern both shot 44's to pace the Warriors.

The 7th grade Football team lost a pair of close games to Franklin Township last night. The A team fell 8-0, while the B were defeated 14-0. The 8th grade Warrior football team won both games in convincing fashion over the visiting Flashes with the A team winning 28-0, and the killer B's coming out on top with a 40-6 rout. Great job to all, and great job to all the students who came out to support your Warrior teams last night!

Warriors Read contest bookmarks are due today in the Library Media **Center.**
