

## Home Access Center and State Assessment Scores

To access the student's Texas Assessment State Scores via the Home Access Center (Parent Gradebook):

1. After successfully logging into Home Access Center, select the '**Grades**' button.
2. There will be 3 tabs on this webpage. Select the '**Texas Test Scores**' tab.
3. Select the link '**Click here go to the Texas Student Portal**' of either the English or Spanish version.
4. This will open a new tab on your browser and display the student's Texas Assessment page.
5. When you are finished with the Texas Assessment, select the '**Sign Out**' button in the upper right corner.
