|           | Ехре      | erience:   | 10/25/2016 This objective only had two indicators, making it an easier one to do. First, the superintendent needed to make the building principals aware of the budget. The budget is finished by October 1 per ADE every year. The superintendent's office also needed to make the building principals aware of School of Innovation conferences being held. It is all a matter of timing and notification. |  |  |
|           | Sustain:  |  | 10/25/2016 Again, timing and notification are all that will be necessary to keep the building principals aware of the budget and School of Innovation conferences/meetings.  |  |  |
|           | Evidence: |  | 10/25/2016 The budget is finished by October 1 per ADE. The building principals are aware of the budget through an ACSIP meeting. As for the School of Innovation, this year, the conference was September 26-27, 2016. Several school employees attended.   |  |  |

|           | Experience:  |                              | to designate I<br>and Teacher I<br>every teacher  | discussion, the district leadership team decided Mrs. Thomas, Director of Curriculum & Instruction Development. She works closely with and knows in both the elementary and high school is available in person, emails, or phone. |  |

|      |        | beginning of each year that Mrs. Thomas is our designated liaison and that if need arises, contact her. We are a small district so sustaining this effort will not require much.   |
|------|--------|--|
| Evic | dence: | 8/24/2016 As a liaison, some things that teachers share with Mrs. Thomas are confidential. However, below are emails in which she is responding to questions or letting everyone know specific information. From: Linor Thomas Date: Tue, May 24, 2016 at 1:46 PM I have looked through all of the licenses we have in our book, and I have notified everyone I saw who would need to renew this year. However, to be on the safe side, please check yours! Click here to access the AELS site. Select "View current license information". Provide the requested information to access your file. All of your license information is included in the form. Please check your expiration date. If your license expires in 2016 and I have not given you the renewal packet, please let me know so that I can get you the forms you need. While you are viewing your license, check your other information to make sure it is correct. Your LEA information at the bottom of the page should say Magazine. To update your information, return to the Applicant Home page, or click the link above and select 'Update Profile Information". Hope you all have a great summer! Linor Thomas May 23 If you would like to join list listserv for K-8 Computer Science implementation, please see the information below. Remember, Computer Science will be embedded in ALL K-8 classes. Linor Thomas Mar 29 lol I think there are minions in all of the systems. Everyone seems to be having little troubles like that regardless of the system they are in, In addition, Mrs. Thomas is highly visible in both the elementary and high school buildings. She visits classes, helps with dyslexia, works in the lunch lines, etc. These activities make her highly visible and approachable as a liaison person. |

8/24/2016 It will be necessary to remind everyone at the

|               | Experience:  Sustain: |   | ce:                     | 10/20/2016 Forming teams was easy. Elementary had already incorporated using PLCs, but the high school had not. Finding time at the high school to implement PLCs was harder and meetings were mostly accomplished through using google docs.   |
|               |                       |   |                         | 10/20/2016 Each year PLCs and leadership teams will be based on preparation times and other factors, such as teachers moving, etc. This will be done within the first month of school. Meeting times will continue to be something that the high school will have to work on, but they are meeting by preps now and will evaluate at the end of the year to see how that worked. Yearly evaluation will have to take place to see what worked and what did not. |

Evidence:

10/20/2016 Teams were formed at the district level as well as the school level within the first month of school in 2015 and 2016. District Team: Brett Bunch, superintendent; Linor Thomas, curriculum; Rebekah Roberts, elementary principal; Randy Bryan, high school principal; Delania Smith, elementary ACSIP chair; Renia Fairbanks, Human Services Worker; Deann Forst, district bookkeeper; Gaylon Scharbor, Fed Coordinator/ACSIP. Example of meeting minutes: 9-26-16 Members Present- Gaylon Scharbor, Rhonda Bryant, Andrea DeWitt, Kayln Pugh, Ron Key Rhonda Bryant was elected PLC Leader/President Andy DeWitt was elected Secretary AR Testing We think the new AR testing procedures are working well. We like that there are less opportunities for papers to get lost in the shuffle between all of the different teachers and that students can only take them with their English teachers. We wondered if students who did not meet requirements are being made to go to After School? How are we making sure that all who do not turn in requirements attend? Mr. Key suggested that 8th period teachers take students to after school when the bell rings. Wheel The wheel schedule does not directly affect any of us, but we see how it would be more beneficial to take wheel classes in 9 week blocks instead of having a different class every day of the week. We think it would help students retain information and skills better and that it would be less confusing. Hybrid Schedule 4- For the Hybrid Schedule 1-Not for or against but willing to try it We think it would be beneficial to have a meeting for the students (possibly Wednesday before the Town Hall Meeting) to make sure they are all informed on what the hybrid schedule actually means and to create some positive energy for them to carry home to their families. If we get them excited that may carry over to their parents and the rest of the community. We think the hybrid schedule would be helpful in reducing student and teacher burnout, decrease absences and would be good for students with bad home lives. We talked about the scare of losing kids and how that weighs with the benefits. We think we may lose a few students on the first year while everyone is still trying accept the change but believe that those who left and more will come to the school because of the benefits once word spreads that it is a good change.
