Mission Statement

The mission of Delavan School District 703 Preschool for All is to provide educational opportunities that encourage each child's physical, social, emotional, and intellectual growth while inspiring a lifelong commitment to learning.

PFA PROGRAM INCLUDES:

SCHOOL SUPPLIES necessary for your child to use in class. All that your child needs is a full-sized book bag and a pair of tennis shoes. Please email the PFA Coordinator if you could use assistance in obtaining a bookbag &/or shoes for your child.

SNACKS are provided for each student every day in class.

FIELD TRIPS are provided free of charge for students and an adult chaperone at least twice per year.

FAMILY FUN NIGHTS are a way to get the whole family involved in the joy of learning! These events are also provided free of charge and may include dinner, activities, take home prizes, family entertainment and more!

TRANSPORTATION is available via a small school bus. Delavan students who are in the morning class may take the bus home from school at the end of class. Delavan students who are in the afternoon

class may ride the bus to school. If you live outside of town (but still within the Delavan School District boundaries), bus service is optional both to and from school.
