### BELLEVILLE WEST NORM ARMSTRONG INVITATIONAL

The Orphans finished 11th out of 39 teams this past weekend at Belleville West. The meet featured a lot of strong 3A schools from the Metro-East and Chicago. Jeh'Chys Brown finished 2nd in Shot Put (54' 7") and in Discus (159' 11") Those were both season personal marks for the senior. Carson Green placed 3rd in Long Jump (21' 4.5"), 10th in the 200 M Dash (22.60), and 18th in the 100 M Dash (11.34). Those two seniors had a great day competing against a lot of 3A athletes. Freshmen KaiVeric Bratton finished 22nd in the 200 M Dash (23.25). KaiVeric is working hard and starting to improve upon his sprint mechanics and that is only increasing his confidence and race results. Jaxon Slagley earned another personal record and a 25th place in Shot Put (42' 0"). Leonard Bratton finished 16th and jumped another personal best mark in Triple Jump (39' 5"). This is only his second meet Triple Jumping and he will look to jump past the forty foot mark next week. Reed Ashford placed 14th in High Jump (5' 9")

### ORPHAN SPOTLIGHT

Leonard Bratton

KaiVeric Bratton

The Bratton brothers are getting better each week. Leonard is turning into a strong multi-events guy with TJ, HJ, and Sprints. KaiVeric's speed is showing in the 100, 200, and sprint relays. These two are already making an impact for the team at the varsity level. Once KyMariyon, the third brother, returns from an early season injury, it will be worth keeping an eye on the Bratton triplets.
