3. The total number of students identified with dyslexia during the previous school year.

285

2017 Dyslexia Program Information

Fayetteville Public Schools offer several different interventions that we use to meet the needs of students with characteristics of dyslexia. We strive to match the student with the most appropriate program: Preflight, Barton Reading and Spelling, Alphabetic Phonics, Take Flight, Phonics First Structures, Reading Mastery, and Corrective Reading.” In the 2016-17 school year we served over 170 students.
