**School Committee Policy:**

**#515**

---

### **Evaluation of Pupils**

An integral part of the instructional program shall be a sound program of student assessment, including achievement testing, examples of student work, and aptitude/ability testing. It shall be the responsibility of the Superintendent and his/her designee to initiate and maintain such programs at appropriate grade levels. Individual results will be reported to parents on a regular basis. Collective results will be reported to the School Committee annually.
