Student Scholarships

The Maynard School Committee appreciates the efforts of organizations and individuals who have donated funds for the continuing education of Maynard students beyond high school.

The Maynard Public Schools will sponsor and administer a scholarship awards program that is free from restrictions based upon race, color, sex, gender identity, religion, national origin, disability or sexual orientation.

Scholarship information and applications will be made available in the guidance office without prejudice. However, the Maynard Public Schools will not participate in the soliciting, promoting, listing or approval of scholarship awards that discriminate on the basis of race, color, sex, gender identity, religion, national origin, disability, or sexual orientation.

Organizations granting scholarship aid will be provided with the applications of all students eligible for assistance and a copy of this policy.

A scholarship committee shall be established, which shall oversee this program.

Scholarship awards will be announced at a time and place determined by the high school principal.
