

School Committee Policy:

#532

Medication for Students

Medication may not be administered to students while at school unless such medicine is given to them by the school nurse acting under specific written request of the parent or guardian and under the written directive of the student's primary care provider. The regulations governing the administration of medications as promulgated by the Department of Public Health have been adapted for use in the Maynard Public Schools and are attached. Self-administration of medications by a student is provided for in the attached regulations.
