

CPMS Announcements

Wednesday, August 22nd

Today's SAT vocabulary word of the day is:

MOROSE (mawr-OSE) adj. –depressed. I was already morose, and four days of rain made it worse.

Students, fundraiser order forms and money are due tomorrow to your first period teacher. Please finish selling tonight and bring both tomorrow.

The Best Buddies call out meeting is coming so mark your calendars! Best Buddies is an organization which pairs students with intellectual and developmental disabilities with their peers in a one to one friendship. Next Tuesday, August 28, we will meet in the main LGI from 3-3:45. You will be given some information and hear students talk about the Best Buddies program. Please bring your chromebooks as we will help you sign up online. Hope to see you there!

The Future Problem Solver meeting scheduled for this Monday, August 27th, is cancelled. Our next meeting will be September 10th. Please check the FPS Google Classroom for more information.

On Tuesday the Girls Soccer team defeated conference foe Martinsville to even their record at 1-1. Great job, ladies!

Last night the Warrior XC teams both fell to Center Grove Central. However, there were a lot of great performances, including Bell Fuentes and Samantha Love finishing in the top 5.

Tomorrow night's football theme will be a Hawaiian one! Both the 7th and 8th grade will host Greenwood, so come on out and support your Warriors, while wearing your finest Hawaiian gear!

FCA, or Fellowship of Christian Athletes, is a before school club that meets with students in all walks of their faith. We spend time in fellowship every morning discussing challenges students may face, along with giving faith led advice for middle schoolers. You do not have to be an athlete to attend as we welcome all students. The first call out meeting will be in room C211 at 7 am August 31st. Please see Mr. Sanford or Miss Maitland for questions.

We have three new buses starting on Thursday. The following numbers will change, but the buses will remain in the same location. Representatives from the Transportation Dept will be here after school today to talk with you about new procedures on these buses.

Bus #83 will change to bus # 75, still parking in slot 9.
Bus #84 will change to Bus #43, still parked in slot 22.
Bus #54 will change to Bus #56, still parked in slot #25.

Finally students I'd like to take a moment to remind all of you that it is rarely appropriate to touch another student. You should keep your hands and feet to yourself at all times unless you are assisting another student in some manner. We've encountered many recent discipline issues that could have been avoided if students kept to themselves. This includes throwing objects, poking with pens and pencils, etc. Please be respectful of your classmates and keep your hands off! Also the hallways are crowded during passing period, please be patient when walking to class and be careful not to bump into others. Say excuse me or sorry if you accidentally bump into someone. Let's be good citizens at CPMS and always look out for others.
